PART A

The plan of action chalked out by IQAC in the beginning of the year towards quality enhancement:

Mahatma Gandhi Memorial College got reaccredited with **B** grade on 4 point scale in 2010 by NAAC Accreditation Board. According to the Peer team *Mahatma Gandhi Memorial College, Udupi conveys an optimistic message of how a growth oriented educational Institution can bring about rapid transformation of an extremely backward rural area through a dynamic process of education and cultural activities …… cherishing and cultivating a chain of academic institutions of different hues, but serving the basic cause of educating minds, is indeed rare among Indian Affiliated Colleges* .

The Vision & Mission statements of the college and the encouraging words of Peer team have made the IQAC members of the college to chalk-out a detailed plan of action for the academic year under report.

IQAC requested teachers to increase their participation in various forums, which directly or indirectly involve in the designing and updating of the curriculum. As far as the student support and progression is concerned, besides strengthening Parent Teacher Association and Alumni Association, IQAC felt that students should be made employable through career counseling and placement assistance. Likewise it was decided to improve the organization by obtaining student feedback regarding the teaching staff of the college.

IQAC decided to take following steps for the quality enhancement among students:

- Conducting periodical tests, seminars for the Students.
- Taking Students to the Industries to have interaction.
- Arranging students visit to the Courts, Zilla Panchayat and other Local Government offices.

- To arrange remedial courses to the needy students.
- Conducting study tours to the students.
- To arrange career workshops to expose the students for career opportunities.
- To organize workshops to enable the students to face interview and participate in the group discussions.
- To organize quiz programmes for the improvement of General knowledge of students.
- To organize special coaching camps for various sports and games.
- To motivate students to participate in workshops / seminars in other colleges.

For quality enhancement of teachers, IQAC decided to encourage the teachers....

- To participate in Seminars, Workshops and Symposia.
- To present papers in Seminars, Workshops and Symposia.
- To conduct minor/major research projects with the help of ICSSR, UGC, NAAC and other Agencies.
- To publish articles in Journals and Newspapers.
- To participate in Orientation Programmes and Refresher Courses.
- To write and publish text books.

Achievements by the end of the year:

ANNEXURE 13

The details of the healthy practices of the Institution are as follows:

- The members of the staff submit self appraisal report every year to the management and the Joint Director of Collegiate Education. The confidential reports of The Principal submitted to the management help to maintain the required standard and discipline.

- The Principal and the heads of the Departments will monitor the work done by the Staff members written in Work Diary .

- The academic performance of the students is checked by adopting the following mechanism:

  The Staff members will play the role of Academic Advisors of the students. The students of each class are divided into small groups of twenty or twenty five. The over all academic performance, character, discipline and participation in co-curricular activities of these groups are supervised by the concerned Academic Advisors. The cumulative record is the document maintained by the Academic Advisor. This document is signed by the Academic Advisors and forwarded to Parents/Guardian/Warden to appraise them of the students performance.

- Two tests are conducted to equip the students for the University Semester Examinations and also for the calculation of Internal Assessment marks. Proficiency prizes are awarded on the basis of these examinations and this helps the students to perform better in Final Examinations.

- Parent Teacher meet is organized twice a year in order to provide an open platform for free and healthy interaction.

- The Staff Council consisting of Heads of Departments helps the Principal to take decisions regarding academic matters, examinations, co-curricular activities *etc*.

- The HRD and TQM Cell conduct Personality Development Programmes on every Saturday afternoons. The other programmes conducted includes Public Speaking courses, confidence building exercises, mind skill exercises and leadership development programmes.

- Uniform has been made compulsory for all students of the college.
