| <p>NEP was introduced from the academic year 2021-2022 for UG programmes. The college adheres to the NEP guidelines of Government of Karnataka and Mangalore University. Different departments of the college are offering open electives to the students. This option given to the students has given the opportunity to select the subjects outside their core stream. Thus a commerce student can take an open elective from humanities, science or computer applications. This has led to the holistic development of the personality of the student. The college has teachers who are equipped with domain skills for the effective imparting of the knowledge.</p> |                    |      |                    |                           |                   |

## 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

**Institution Performance Appraisal System for Teaching and non-teaching staff.** The Faculty Appraisal System of the College is designed with the objective of helping the faculty to improve and excel as a teacher. It is in operation for many years. The system was developed by the IQAC. It also depends on the depth of subject knowledge. In the current system the teachers are evaluated by the students, HOD, other staff members and the Principal. Each teacher can view his / her Appraisal by the student. In case of any concern, the Principal and HOD will have discussion with the concerned faculty and suggest measures for improvement. The staff appraisal by the colleagues is based on interpersonal relationship, cooperation, sharing of knowledge and resources in the department. The evaluation of the staff by the students is done at the end of the semester, subject wise and discipline wise.

- Their evaluation is based on the subject knowledge, the input given, the

availability and approachability of the teacher and the role she plays as a facilitator and mentor. For the non-teaching staff, the evaluation is done by the Principal, who assesses the work efficiency of the non-teaching staff, their cooperation with the teaching staff and need based support and help for students.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Students' fees constitute the major source for mobilizing the funds. Before the commencement of every academic year, the budgetary allocation for various heads of expenditure is ascertained. The proposed budget is then placed before the Governing Council by the Principal for approval.

#### Strategies for mobilization of funds:

Besides students' fees, minor source of income is derived through infrastructural rentals for Banking sector, Institute's classrooms, Seminar hall and computer laboratories. The infrastructure is also sought as Centre for Central Valuation of the affiliated University.

The centrally convenient location of the institute has drawn several agencies to seek the infrastructure for conduct of various competitive, professional and entrance examinations.

Financial needs are also met through the grants received from the UGC towards salary of the aided staff, Minor Research Projects, sponsored Seminars and conferences and assistance from the affiliated University for specific programmes.

The alumni and philanthropists generously contribute towards endowments, scholarships etc which also adds to our required funds. The mid-day meal scheme of the College is fully funded by the faculty, Alumni and PTA.

#### Optimal utilization of resources:

In pursuit of institute's mission of providing quality education at affordable cost, the income generated is optimally utilized to give back to students in the following ways:

Sufficient funds are utilized for augmenting, upgrading and maintaining the physical, supportive and learning facilities and administrative needs of the institution.

The college tries to provide an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socio-economic and other diversities.

Some of the activities towards this end are as follows:

- An orientation program is organized at the beginning of the academic year to incorporate the feeling of unity and integrity among the new entrants and the rest of the students.
- Teachers sensitize students towards tolerance, harmony and inclusiveness.
- Cultural activities are organized in the institution to promote tolerance and harmony towards each other.
- Various Socio- Economic activities like special talk on GST, World Population Day, Investors Awareness, etc are organized. NCC Camps, NSS Camps, Rovers and Rangers Camps are held in the remote villages where the socio-economic conditions of the villagers are also studied and services are provided.
- To promote communal harmony, The Gandhian Study Centre of our college organizes Gandhi Jayanti every year to recall the important contributions to India's liberation struggle and Independence movement.
- Vivekananda Chintana Vedike provides a platform for conducting special talks on Swami Vivekananda's teachings and for organizing workshops on moral and ethical values.
- Various literary activities are conducted.
