15. Multidisciplinary / interdisciplinary					
NEP was introduced from the academic year 2021-2022 for UG programmes. The college adheres to the NEP guidelines of Government of Karnataka and Mangalore University. Different departments of the college are offering open electives to the students. This option given to the students has given the opportunity to select the subjects outside their core stream. Thus a commerce student can take an open elective from humanities, science or computer applications. This has led to the holistic development of the personality of the student. The college has teachers who are equipped with domain skills for the effective imparting of the knowledge					
16. Academic bank of credits (ABC):					
The academic bank of credits is a national level facility that promotes the flexibility of curriculum framework and interdisciplinary/multidisciplinary academic mobility of students in the country. It has been implemented by the university/ state government/ UGC and students have registered					
17. Skill development:					
Besides the courses being given as open electives different departments of the college are offering various types of courses to enhance the skills of the students. The certificate courses offered by the departments are to enhance the employability of the students. The courses are designed to suit the needs of the industry. Few departments also help the students to take up end semester projects even if it is not stipulated in the syllabus. College pays for the resources needed to implement the projects. Required electronic components are bought for the projects by the college itself.					

Departments also offer different skill based certificate courses in which students opt during their graduation in addition to their core papers. In addition to this in Collabrations with our Mohandas Pai skill developopement centre various short term certificate courses are organised.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Teachers teach both in English and Kannada. Knowledge is imparted in the blended mode of two languages. Some topics are discussed predominantly in Kannada. Students communicate with the teachers mostly in Kannada. College is a cultural hub and students participate in various cultural activities conducted by various clubs. Students are guided to subscribe to online courses to enhance their knowledge. Science departments, Science club and Eco club enlightened the students about the contribution of ancient India to the field of Science and Technology . Departments like Sanskrit , Kannada and Hiindi organise value added programs on Indian Knowledge system. Units like Gandhian Study Centre, Vivekanda Chintana Vedike, Yaksharanga and Literary and Fine Arts clubs also take initiative towards creating awarness on Value education, Indian Culture, Arts and Indian Knowledge System.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Curriculum delivery and imparting of lessons are done effectively through traditional as well as innovative teaching methods by using ICT, multimedia presentation, assignments, quiz, discussions, projects, practical learning, etc in addition to the regular classroom teaching for the benefit of the students. The college has a well structured system to design and develop action plans for effective implementation of the curriculum as governed by the framework of Mangalore University. CBCS & NEP with Electives and Open Electives have been implemented. The principal convenes regular meetings with heads of departments and also with all staff members to discuss and develop a system of curriculum delivery. The academic calendar of the college along with the semester plan is prepared as prescribed by the University. College calendar issued to the students consists of the stream wise details about the curriculum and mentions all the important dates including commencement date, dates for test/internal assessment, last working date etc. The implementation of time table, semester

plans and other aspects are conveyed to the teaching, non teaching staff members through general staff meetings. The relevant information is also communicated to the students through all the notice boards and online/whatsapp groups.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The CIE is a continuous process that is carried in a time-bound manner in accordance to the academic calendar of the College. All departments conduct continuous assessment through class tests and assignments regularly. This is followed by two Internal Exams for each semester. After the exams the answer papers are evaluated and are distributed to the students. Practical exams and Viva exam based on projects are also conducted for the applicable subjects. The students are properly guided on the basis of their performance. It is ensured that the process of CIE is fair and all-inclusive. The evaluated answer scripts of internal exams are shown to all the students and any doubts or grievances regarding marks are resolved before the lists are finalized and are uploaded in the University/UUCMS portal.

Extra attention is given for teaching-learning and assessment by providing extra lectures, remedial coaching in addition to the regular classes in order to prepare the students for the Semester Exams. In addition to this the teachers guide the students to refer to the relevant study materials. Remedial coaching and Mentor-mentee system helps in the improvement of the performance. The institution adheres to the academic calendar including for the conduct of CIE.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Environmental Studies, and Human Rights are part of the curriculum for first year and second-year students. Additionally, subjects like India, Indian Constitution, Indian Economics, and Karnataka Economy are included in the coursework. The Media Law course, covering professional ethics, addresses media rules, beginning with constitutional principles and including laws such as the Press and Registration of Books Act. It also explores contemporary issues like the Right to Information, Intellectual Property Rights, and media ethics, aiding students in comprehending the legal and ethical aspects of media.

For third-year students, the curriculum introduces subjects like

International Relations, Comparative Government and Politics, and Karnataka Government and Politics, aiming to enhance understanding of global dynamics, national power shifts, and career opportunities in Foreign Affairs.

B.Sc. students who choose the BZC combination focus on ecology, engaging in ecosystem projects. Environment and Sustainability are integral parts of the curriculum, with activities like Vanamahotsava and Environment Day promoting awareness. Human values such as dignity, liberty, equity, justice, fraternity, and unity in diversity are also emphasized in the curriculum

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The mentor-mentee system plays a crucial role in identifying both slow and advanced learners within the academic environment. To bolster the learning abilities of students facing challenges in academic performance we offer: remedial classes, tutorial sessions, assignments, peer group studies, question banks, and tests. Counseling and self-assessment further motivate slow learners, fostering active participation in academic and co-curricular activities.

Conversely, advanced learners receive tailored support to propel them towards greater achievements. They are provided with additional information on subjects and guided towards skillful applications. Such students are encouraged to refer the E- Sources available in college and other sources. Encouragement is extended for competitive exams, eligibility tests, and entrance examinations, as well as participation in peer teaching, research activities, inter-collegiate events, conferences, and workshops. To further enhance their skills and knowledge, advanced learners may explore higher centers of learning through summer research fellowships, pursue additional courses, and engage in professional

development opportunities. Overall, the mentor-mentee system ensures a holistic approach to cater to the diverse needs of students, fostering both academic growth and personal development.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Affiliated to Mangalore University, the college has transparent and robust mechanism of internal assessment in terms of frequency and mode.

To ensure the transparency, students are briefed about the different parameters like Teachers Assessment, internal examinations, Group Discussion, Assignment, Field Visit, Seminars and Project Presentations.

Separate record is maintained by the teacher for the practical subjects to ensure students' performance in experiments, also regularity, progress, viva and the punctuality in record submission. Students' score for each experiment is recorded in the observation records.

Every semester holds two Internal Tests. The system of internal

assessment is communicated to the students well in time. The Principal holds meetings of the faculty and directs them to ensure effective implementation of the evaluation process.

Examination dates are announced to the student at least a week in advance. Examination co-ordinator carries out all the required deliberations. Evaluated answer scripts are shown to students in the class to maintain complete transparency. The teachers readily give clarifications to the students regarding the marks awarded and guide them to perform better in future exams.

Unit tests are conducted regularly and their performance is discussed with the students. The student performance is informed to the parents in PTA meeting.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The extension activities have sensitized the students on various areas like social, health, educational, cultural, developmental issues of community and universal importance. The activities have contributed to the overall development of the students by creating awareness, helping them to develop leadership qualities, better communication skills and ability to work as team.

As a part of peer teaching, under the guidance of faculty members, students are sent in groups to various institutions to teach the students the subjects that support their curriculum. These sorts of exposures to the real-time classroom situations have sensitized our students to understand the psychology of the learners. Environmental awareness programmes like Off Campus Birding, Seed

ball preparation and dispersal and other relevant activities are conducted by Eco club & Zoology Department.

Activities of the NSS, NCC, YRC etc. help inculcating patriotism, organizing skills, unity and discipline. The activity under Swachh Bharat drive had given an opportunity to our students to understand the issues relating to sanitation and cleanliness.

Activities such as blood donation, rally with regard to campaigning, cleanliness and humanitarian treatment etc. are regular features of our extension programmes. These have strengthened sense of service, empathy and compassion. Activities such as awareness on human rights, communal harmony and equity have helped the students to be responsible citizens. The extension activities supplement our curricular, co-curricular, and extra-curricular framework and provide an effective forum for experiential learning.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The college is set on a vast 46-acre campus that combines modern academic infrastructure with a wide range of student facilities. The academic buildings include 34 classrooms, with 14 equipped with LCDs and one featuring a smart board. Four classrooms and six laboratories are connected to Wi-Fi and LAN, ensuring digital access. The campus also has specialized labs for English, Mathematics, and Journalism, along with well-equipped science laboratories. Museums for Zoology, Botany, Mathematics, and Computer Science, as well as a botanical garden, enrich the academic experience.

A highlight of the campus is the 'Vajrasoudha' building, housing

the Computer Science Department with 250 desktops, iMacs, servers, and other resources. The Post Graduate Library in this building holds nearly 1,000 volumes. The college offers excellent seminar and conference facilities, including the 500-seat 'Nuthana Ravindra Mantapa' auditorium, along with smaller venues equipped with ICT for modern learning. The Open auditorium 'Muddana Mantapa' is renovated with permanent roofing.

The campus supports student welfare with amenities like dedicated restrooms, a co-operative store, and an automated library. The Teaching-Learning Centre enhances faculty development, while extracurricular activities are promoted through various clubs. The campus also features sustainability initiatives, a 12,210 sq. ft. indoor sports complex, and outdoor sports facilities. Additional services include a canteen, hostel, and Distance Education Centre.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The college features a state-of-the-art indoor sports complex, spanning 12,210 square feet. This facility includes various recreational amenities such as badminton courts, table tennis tables, carrom boards, and chess, along with a well-equipped gymnasium offering separate sections for both ladies and gents.

Outdoor sports are also well-catered for, with two basketball courts and one volleyball court situated on the campus. The newly constructed basketball court meets high standards, providing excellent conditions for the sport. Additionally, there is a unique open-air auditorium, further enriching the campus's sporting and cultural environment.

For cultural, co-curricular, and extracurricular activities, the college has two auditoriums—Nutana Ravindra Mantapa and Geetanjali. Nutana Ravindra Mantapa has been recently renovated, featuring air conditioning, modern acoustics, and lighting systems, along with internet facilities for live streaming of events on social media.

The campus is also equipped with two spacious ladies' rooms, located at Parvathi Nilaya and Vajrasoudha, and a boys' restroom. A student cooperative store provides stationery and other essential items. To support faculty development, a Teaching-Learning Center has been established to foster innovative teaching methods. These facilities contribute to the overall development of students and staff, ensuring a well-rounded and dynamic campus experience.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college has a well-defined policy and structure for maintaining its physical and academic facilities.

Classroom Management: Classrooms are equipped with whiteboards, projectors, and modern technology to support effective teaching. CCTV cameras are installed for student safety. Maintenance of educational tools is ensured through an Annual Maintenance Contract (AMC) and a systematic reporting mechanism for repairs and replacements.

Computer Lab: AMCs cover the upkeep of computers, software, copier machines, CCTV, fire extinguishers, gardens, and security systems. The lab infrastructure, including administration software, is regularly updated. A professional team maintains the college website. All purchases adhere to a transparent procurement policy framed by the Management Purchasing Committee.

Library: The library operates with a dedicated system to assess and fulfill academic needs, including new acquisitions and facility enhancements for students and staff. Software upgrades ensure efficient library management and services.

Sports Facilities: The sports teacher oversees maintenance and organizes various intramural and intercollegiate events to promote physical fitness and holistic development. Facilities for indoor and outdoor sports are well-maintained, and International Yoga Day is celebrated annually to emphasize wellness. This structured approach ensures that academic, physical, and extracurricular resources are consistently optimized, creating an environment conducive to holistic education and student growth.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Mahatma Gandhi Alumni Forum ® is a registered trust which came into existence on 26th May 2002 (Registration No. 34/2002-2003/Dt20.08.02). The primary purpose of this forum is to develop fellowship among the Alumni and to maintain good rapport between them and their alma mater. Alumni association of our college plays an important role in serving and working for the betterment of the college like providing financial aid in the form of scholarships to the poor and deserving students and free meals in the midday meals club (college canteen) of the college. The members are of three types, life member (Rs.500), Poshak (Rs.1000) and Mahaposhak (Rs. 1500 and above). Significant amount of contribution is donated by the Alumni in every academic year. Besides financial support, the interaction between the Alumni and college students is also arranged by inviting alumni who are working in various fields. To contribute to the personal and career development of the students, every year interactive sessions will be engaged by the various departments of our college by inviting noble alumni personality. Faculty of our college will help the Alumni by providing them recommendation as well as syllabus for the purpose of their higher studies/work.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision

A student of Mahatma Gandhi Memorial College will be an individual endowed with the spirit of enquiry, eager to acquire knowledge and skills, competent to be employed in his field, possessing qualities of leadership, responsible to family, society and nation, capable of appreciating aesthetics and understanding our cultural heritage and rational as well as humane in attitude.

Mission

The Mahatma Gandhi College strives to provide students with quality education using innovative and humane methods of teaching and learning, to develop in them competence for employment as well as entrepreneurship, to promote their power of thinking and creative ability, to organize activities that will contribute to the understanding of their responsibilities to the family the society and the nation and to promote national integration through cordial relationship between and among stake holders. Under the aegis of the Academy of general Education, Manipal, the college has been well nurtured by the mahatma Gandhi Memorial College Trust and College Governing Council, both of which have contributed a lot in shaping of the College as an institution of academic and cultural distinction. Strategic plan for activities of the academic year is chalked out by the Principal in

consultation with staff council and IQAC.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college follows a decentralized mechanism for smooth functioning. The Academy of General Education, as the top management body, provides general guidelines to the Principal, outlining roles and responsibilities. The Principal communicates this information to the teaching and non-teaching staff. Major plans are finalized through meetings involving the college trust, Principal, Heads of Departments (HODs), and student interactions. The Principal's role is to foster coordination and cooperation among faculty and students by ensuring transparency in decision-making and effective implementation of policies aligned with the institution's mission.

The management organizes an annual convention to provide faculty with guidance on academic leadership. Teachers are encouraged to organize study tours, field visits, and industrial or higher education institution visits to enhance students' practical knowledge. A Student Welfare Committee (SWC) is established to develop leadership qualities among students, who serve as secretaries of various clubs, cells, and organizations like NSS, NCC, and YRC. Students are also encouraged to participate in intercollegiate competitions. Faculty members act as welfare officers, chief coordinators, conveners, and advisors for these clubs and cells, ensuring holistic development and active student participation.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The successful implementation of seminars as part of the college's strategic plan has significantly benefited students and faculty, fostering knowledge dissemination, skill enhancement, and intellectual engagement.

Key seminars conducted recently include:

15th-16th March 2024: A Two-Day National Seminar (BIOSEM) by the Zoology and Botany Departments that explored advanced biological concepts and real-world applications.

21st March 2024: A One-Day National Seminar on "Frontiers in Astronomy" by the Physics Department provided insights into advancements in astronomy and astrophysics.

26th March 2024: A One-Day National Seminar on "Discrete Mathematics and Its Applications" by the Mathematics Department enhanced students' understanding of mathematical tools.

6th June 2024: A One-Day National Seminar on "Human Values in Literature" by the Languages Departments (English, Kannada, Hindi, Sanskrit) emphasized moral values through literary studies.

13th-14th June 2024: A Two-Day International Conference (MGMCOMSUSCON) by the Commerce Department focused on global sustainable commerce practices.

These seminars exposed students to new concepts, industry trends, and real-world applications, improving critical thinking and communication skills. Faculty gained professional development, academic enrichment, and collaboration opportunities, fostering academic excellence, innovation, and holistic institutional growth.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Mahatma Gandhi Memorial College is managed by the MGM College Trust, with Sri. Satish U. Pai as President. The Governing Council ensures transparency and governance, while the Principal implements developmental activities. The College has a Staff Council, including the Principal and Department Heads, and regularly meets for effective functioning.

The Student Welfare Officer serves as a liaison between students and the principal, while various clubs and cells cater to co-curricular and extra-curricular activities. Institutional success relies on effective governance, management decisions, and non-discrimination recruitment policies. Staff Council meetings make decisions on examinations, programs, and extension activities

The principal being the head of the institution holds the authority over every aspect of the College. The goal of the Mahatma Gandhi Memorial College is to give students an excellent educational experience. The institution has established a teaching-learning center to enhance teaching and learning skills, with regular sessions to develop innovative methods. The management focuses on providing the best infrastructure, transitioning from traditional to digital tools, and encouraging innovative teaching techniques. The college enhances undergraduate and postgraduate experiential learning through various methods such as audiovisual recordings, live projects, internships, fieldwork, projects, debate competitions, group discussions, and seminars.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Institution Performance Appraisal System for Teaching and non-teaching staff. The Faculty Appraisal System of the College is designed with the objective of helping the faculty to improve and excel as a teacher. It is in operation for many years. The system

was developed by the IQAC. It also depends on the depth of subject knowledge. In the current system the teachers are evaluated by the students, HOD, other staff members and the Principal. Each teacher can view his / her Appraisal by the student. In case of any concern, the Principal and HOD will have discussion with the concerned faculty and suggest measures for improvement. The staff appraisal by the colleagues is based on interpersonal relationship, cooperation, sharing of knowledge and resources in the department. The evaluation of the staff by the students is done at the end of the semester, subject wise and discipline wise. Their evaluation is based on the subject knowledge, the input given, the availability and approachability of the teacher and the role she plays as a facilitator and mentor. For the non-teaching staff, the evaluation is done by the Principal, who assesses the work efficiency of the non-teaching staff, their cooperation with the teaching staff and need based support and help for students.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The finance committee with the Principal as chairman meets periodically to review the expenditure of the previous year and also to plan and scrutinize the proposed budget for the forth coming year. This budget proposal is presented at the governing body for approval.

Internal and external financial audits are conducted regularly. The College engages qualified chartered accountant for the internal audit.

INTERNAL AUDIT

Internal audit of college income and expenditure is conducted by Chartered Accountant every year by a team of members from the Pai and Nayak Chartered Accountants for government and management

funds received. Last audit was done on 20-09-2024 and there were no audit objections.

EXTERNAL AUDIT

Government level audit is done periodically by the Regional Joint Director of Collegiate Education, Mangalore, and Office of AG..The finance section guided by the principal is responsible for managing the funds received through endowments, sponsorship and contribution from benefactors and through funded projects. On completion of the project, utilization certificate and audited statement of accounts are forwarded to the funding agency. The financial transactions for expenditure are made through cheques/NEFT and funds are received through cheques, DD and NEFT. This procedure for financial transaction is more effective and ensures greater transparency with the proof of transaction details.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Before the commencement of every academic year, the budgetary allocation for various heads of expenditure is ascertained. The

proposed budget is then placed before the Governing Council by the Principal for approval.

Strategies for mobilization of funds:

The strong alumni base of the Institution, well-wishers, benefactors, individual philanthropists generously contribute towards the noble cause of education in the form of donations, endowments, scholarships, sponsorships which also adds to our required funds to a great extent. The mid-day meal scheme of the College is fully funded by the faculty, Alumni and PTA. A minor source of income is generated through the maintenance charge collected while lending infrastructure, including facilities such as banking spaces, classrooms, seminar halls, and computer laboratories. The infrastructure is also sought as Centre for, professional and entrance examinations.

Optimal utilization of resources:

In pursuit of institute's mission of providing quality education at affordable cost, the income generated is optimally utilized to give back to students in the following ways: Sufficient funds are utilized for augmenting, upgrading and maintaining the physical, supportive and learning facilities and administrative needs of the institution.

Scholarships and endowment prizes are funded by the Management every year. Giving back to the society through Institutional Social Responsibility by undertaking the extension activities and outreach programmes. Our institution is also a campus drive pool where college students are benefitted

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC has taken initiative in institutionalising quality aspects through obtaining the feedback from students , teaching and non teaching staff , stake holders and employers. Weekly lesson plan

portrays the plan of teaching a week ahead, will be served to students in advance. Feedback obtained from students covers teaching learning evaluation curriculum, infrastructure student support and ERP system in the governance.

Feedback obtained from teaching staff is an indicator of quality enhancement which covers wide range of curriculum design, updating a certificate course and program outcome .the curriculum is enriched by various activities like seminars, guest lecture , industrial visits, group discussions, quiz and competitions . The course content offer research possibilities. Feedback helps us to update the curriculum which addresses issues like gender , environment , sustainability and human values..The alumni feedback supports in offering necessary facilities and study environment .There is a correlation between study content and job requirement which is reflected from the feedback from the alumni The feedback obtained from non teaching staff helps in quality improvement through their response to management policies , the bent of mind towards collective responsibility ,provision of basic auxiliary facility in the campus and the inter personal relationships .

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC initiated a comprehensive curriculum review process to align the academic offerings with industry demands, technological advancements, and global standards. Feedback from stakeholders such as students, alumni, employers, and academic experts was collected to identify gaps in the existing curriculum and areas for improvement.

Based on the review, new elective courses focusing on emerging technologies and interdisciplinary subjects were introduced. The IQAC facilitated workshops for faculty on updated teaching methodologies and inclusion of contemporary content. Additionally, it ensured the integration of practical sessions, case studies, and research projects into the curriculum to make learning more

application-oriented. The implementation of these reforms led to better student outcomes, with improved employability and research capabilities. The curriculum enhancements were regularly monitored, and periodic reviews were conducted to ensure the content remained relevant and effective in preparing students for the future.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institution, established in 1949, has consistently upheld its commitment to gender equity, ensuring fairness and justice for

all. It has provided equal opportunities in admissions and campus activities. The campus fosters a safe and inclusive environment with measures like CCTV surveillance, a ladies' hostel, and dedicated sections for women in facilities such as the gym, library, and canteen. Two well-equipped ladies' restrooms and suggestion boxes further contribute to a conducive learning atmosphere. Proactive steps include the establishment of Women's Welfare, Grievance Redressal, and Harassment Redressal Cells to address specific concerns. The institution's gender equity initiatives are strengthened by the involvement of lady counselors and a structured mentor-mentee program.

- **Lady Counselors:** Provide emotional support, career guidance, and health awareness, addressing gender-specific challenges to ensure students' overall well-being.

- **Mentor-Mentee Program:** Faculty mentors offer individualized guidance to students, creating a safe space for discussions, building confidence, and fostering personal and academic growth.

- **Lady Counselors:** Provide emotional support, career guidance, and health awareness, addressing gender-specific challenges to ensure students' overall well-being.

- **Mentor-Mentee Program:** Faculty mentors offer individualized guidance to students, creating a safe space for discussions, building confidence, and fostering personal and academic growth.

The College actively conducts gender-sensitization programs in alignment with its Annual Gender Sensitization Action Plan. Gender equity activities such as seminars, health awareness campaigns for students, faculty and staff are organised.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The institution has a structured system for managing solid, liquid, and e-waste, ensuring an eco-friendly and sustainable campus environment.

Solid Waste Management:

Solid waste from classrooms and the canteen is regularly collected and disposed of by the municipality. Dustbins are strategically placed in classrooms, staffrooms, and common areas for waste collection. A Vermicompost unit processes hostel and canteen organic waste into nutrient-rich compost, which is used as natural fertilizer for the college gardens without emitting greenhouse gases. Recyclable waste, including plastic and metal, is sold to authorized vendors. Broken glass is disposed of via landfilling, while chemical waste is handled by the Chemistry Department. Ladies' rooms and hostels are equipped with incinerators for sanitary waste.

Liquid Waste Management:

Water from handwashing is channeled through pits. Laboratory acids are diluted and neutralized before disposal, and Micro Scale Analysis is used to reduce chemical usage. Eco-friendly cleaning agents are employed across the campus.

E-Waste Management:

E-waste is collected in a dedicated bin in the Computer Science Block and sent to authorized recyclers. Upgrades and exchanges of computers minimize e-waste generation, and the use of rewritable

storage devices and digital communication is encouraged to reduce paper consumption.

This comprehensive waste management system promotes cleanliness and sustainability in the institution.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1: Campus Birding Objectives: ·To identify and document bird species present in the campus ·To encourage bird conservation efforts within the campus community. **The Practice:** The Campus Birding event is being organized jointly by the Department of Zoology and Manipal Birding and Conservation Trust to explore the high biodiversity found on the campus. The campus serves as crucial habitat for various bird species, including some that are critically endangered. Campus birding event promotes awareness about local avian biodiversity and educates the participants about the importance of bird conservation. **Best Practice 2: Blood Donation Objectives:**

- To promote humanity: Blood donation saves lives and enriches donors.
- To ensure blood supply in blood bank.
- To assist critical patients.
- To dispel myths about blood donation.

The Practice Blood Donation is organized by the Youth Red Cross of the college in association with Student Welfare Council, NSS, NCC and Rangers & Rovers. Kasturba Medical College Hospital, Manipal is the prominent hospital in the vicinity. The institution collaborates with the Blood Bank Unit of KMC, Manipal for this noble cause.
