1. EXECUTIVE SUMMARY

1.1 INTRODUCTION

Mahatma Gandhi Memorial College, Udupi, is also known as MGM College in its popular short form. It is a premier institution sponsored by the Academy of General Education, Manipal and is managed by the MGM College Trust. It was established in 1949 as the first College of Udupi District by Late Dr. T.M.A Pai, the architect of modern Manipal. It brought education to the doors of the youth and attracted the students of Udupi and neighbouring districts. The College is situated at the heart of the City and is well connected by good transport facilities. It is ideally placed to serve the education needs of the students coming even from remote areas. The College is considered as the most sought-after College of the region as it imparts the quality education that is affordable, inclusive, constructive, progressive, culturally significant, and value-driven. The College offers BA, B.Com., B.Sc., BCA, and M.Sc. Computer Science programmes affiliated to Mangalore University.

In the past seven decades, the College has witnessed phenomenal growth towards academic excellence and is on the threshold of celebrating its Platinum Jubilee. It has moulded generations of students who are conscious of their privileged position and their duty to serve the society and the nation.

The College is well-known for quality education, infrastructure, facilities, green/serene campus of 46 Acres, cultural vibrancy, good placements, visionary leadership, dedicated staff and talented students. All the Departments, Clubs, and Units are committed to the overall development of the students. The magnificent Library, well-equipped labs, museums, Botanica, indoor/outdoor sports facilities; Gandhian Study Centre etc. provide good support to the learners.

As a Cultural hub of Music, Theatre, Performing Arts, Folk Arts, Language and Literature the College provides a forum for many cultural organizations.

Students organize Inter-stream fest 'SPECTRUM' which showcases the talents of students. A number of students represent the College at the State and National levels in extra-curricular and co-curricular activities. Cultural activities like the Vadiraja Kanakadasa Festival, Muddana Sahityotsava and Tulu Aisiri take place every year. Various activities organized by/for the students have brought the status of an eminent educational institution to MGM College.

College Motto

“ सत्त्वात्संजायते ज्ञानम् ”

Sattwaat sanjaayate jnaanam

“From Virtue Springs Knowledge” (-Bhagavad-Gita)

“The end of all knowledge must be building up of character”- Mahatma Gandhi

True to the name of Gandhiji, the Gitaic motto of Mahatma Gandhi Memorial College proclaims that knowledge is a sublime goal to be pursued as a culmination of the moral endeavour of man. Knowledge bereft of virtue is equivalent to ignorance.

The College Crest symbolizes the College Motto. The temple with a window at the centre of the crest stands for spiritual and moral sanctity. The coconut trees on one side and the elephants carrying flowers at the top symbolize the prosperity and triumph which spring from moral integrity.

Vision

A Student of Mahatma Gandhi Memorial College will be an individual

- Endowed with a spirit of enquiry
- Eager to acquire knowledge and skills
- Competent in his/her field
- Possessing qualities of leadership, responsible to family, society and nation
- Capable of appreciating aesthetics and understanding our cultural heritage
- To be rational as well as humane in his/her attitude.

Mission

The Mahatma Gandhi Memorial College strives

- To provide students with quality education using innovative and humane methods of teaching and learning
- To develop in them competence for employment as well as entrepreneurship
- To promote the power of thinking and creative ability
- To organize activities that will contribute to the understanding of responsibilities to the family, the society and the nation
- To promote national integration through cordial relationship between and among the stakeholders.

Objectives:

- Character Building
- Excellence in Teaching-Learning
- Building competence for employability / entrepreneurship

1.2 Strength, Weakness, Opportunity and Challenges(SWOC)**Institutional Strength**

- The rich legacy and the glorious history of the Institution is a constant source of inspiration.
- Easy accessibility: being located in the heart of the town with good connectivity and proximity.
- Experienced, competent and dedicated faculty.
- Supportive, democratic and dynamic approach of the Management.
- Decentralized and participative management for constructive decision making.
- A Plethora of opportunities for student empowerment through curricular, co-curricular and extra-curricular activities.
- Strong focus on community outreach and extension activities.
- Well-furnished auditorium and open-air theatre.
- Well-equipped Science laboratories.
- State of the art Computer Science labs.
- Fully automated library with good collections and internet facility.
- The effective functioning of the Placement Cell in the College benefits a large number of students.
- A good number of students are absorbed by reputed companies.
- A supportive academic setting that allows for constructive teacher-student interaction.
- The College has produced many illustrious alumni.
- Implementation of e-governance through ERP package provided by our Management.
- Student representation and leadership in SWC, major committees, units and clubs.
- College is a cultural hub which has supported the conservation, promotion, and dissemination of culture and heritage.
- Good results and ranks secured by students.
- Student achievements in various cultural, academic and sports competitions.
- Implementation of NEP from 2021-22.

Institutional Weakness

- No autonomy in course designing.
- Limited scope for curriculum improvement in the affiliation system.
- Limited scope for projects, field work and internships in the curriculum of many programmes.
- Less research output.
- Management Staff are not considered by the Government funding agencies for the Research projects.
- Many FDPs are not open to the management staff.

Institutional Opportunity

- Being one of the oldest institutions with consistent good results in the academics, co-curricular and extra-curricular activities, the College is well-known for its academic and cultural excellence. It has adequate space and potential for future growth and development.
- Maximizing the use of ICT in education.
- Introducing more value added certificate courses.
- Faculty have opportunities to be the members of BoE and BoS.
- To introduce skill development courses.
- Introduce student projects, research projects, field works and related activities for all the students.
- To enhance Industry-academia linkages and increase the number of MOUs.
- Involvement of students in Nation Building Programmes.
- To enhance the number of research centres and Ph.D guides.
- To introduce new courses and programmes that are feasible and in demand.
- Planning to get the status of autonomous college.

Institutional Challenge

- There has been a gradual decline in enrolment of students to Arts and Basic Science courses. Hence, sustaining the numbers is a challenge.
- The College has to compete with many Government Colleges where the fee structure is more favourable to students than in aided Colleges.
- Inclination of students towards job-oriented professional courses.
- Frequent changes in the academic calendar issued by the affiliating University after the COVID pandemic makes it difficult to implement them and conduct activities in a timely manner.
- Recent decline in enrollment for BSc due to misinformation and confusion among students and parents about NEP.
- Existing vacancies approved / sanctioned under the grant-in-aid posts are not filled up regularly by the Government. So the number of grant-in-aid staff is less and the number of Management staff is more.

1.3 CRITERIA WISE SUMMARY

Curricular Aspects

Curriculum aspects of the MGM College Udupi are governed under the guidelines and framework of Mangalore University. The College has a well structured system and develops action plans for effective

implementation of the curriculum.

- The Principal convenes regular meetings with HODs and staff members to discuss and develop a hassle free system of curriculum delivery.
- The College Calendars issued to students consist of the stream wise details about the curriculum.
- Curriculum delivery and imparting of lessons are done effectively through innovative teaching methods by employing ICT, Multimedia presentation etc.
- The level of learning outcome of each subject is assessed through continuous evaluations through Internal and Semester Examinations, Seminars, Assignments and Viva.
- Continuous Internal Evaluation (CIE) is the most important aspect of our curriculum delivery and learning mechanism.
- The College follows the academic calendar prepared in accordance with the calendar issued by Mangalore University for conducting all the curricular, co-curricular and extracurricular activities.
- There is an examination committee to coordinate and monitor the smooth conduct of the internal examination.
- Extra attention is given to teaching, learning and assessment by providing extra lectures and remedial coaching.
- The College has introduced certificate courses for the benefit of students.
- Many of the staff are members of BOS and BOE. They also participate in setting question papers, development of curriculum for Add- on Courses and Evaluation process of the Affiliating University.
- NEP was introduced for the first year students from the academic year 2021-2022 for only UG. It is a multidisciplinary and holistic education across the Science, Social Science and Sports in order to ensure unity and integrity of all knowledge. It emphasis on conceptual understanding rather than rote learning and learning for examination.
- Institution integrates cross cutting issues in the curriculum such as human values, moral values and professional ethics through compulsory courses.
- The College has no freedom to formulate its own curriculum.
- Only a few courses have provision for undertaking project work, field work and internships.

Teaching-learning and Evaluation

The teaching, learning and evaluation strategies in the College are formulated in pursuance of the goals and objectives of the institution as defined in the Vision and Mission statements. An honest multi-pronged attempt is made to fulfill the objectives and improvement is seen in result of University examinations. For the academic year average pass percentages is 95% and a good number of students are selected for employment in the campus interviews. The College has a transparent admission process and admission is made according to the Government and University norms.

NEP 2020 which was implemented in 2021-22 for the First year UG has given much scope and flexibility for experiential learning and skill enhancement. For the effective implementation of NEP, the college has NEP Coordinator and Deputy Coordinator.

• Equipping Teachers:

The college has 100% faculties where total 30.8% Ph.D, M.Phil, NET/SLET/KSET qualified faculties. The Faculties uses innovative method of teaching, Group Discussion, Seminars, Field work, Project work where better involvement of students is ensured.

- **Improved methods of learning beyond four walls for overall personality development of students:**

- NCC, NSS, Rangers & Rovers, Youth Red Cross etc. where members acquire national and patriotic spirit.
- Blood Donation camps, Plantation of sapling, 'Swachh Campus' help to inculcate a spirit of humanity and provide opportunities for the personality development.
- Clubs from various departments organize skill based activities and bring out departmental bulletins.

- **Learning Process:**

While class room teaching mainly involves initiative taken by the teacher, the students are motivated to make use of the excellent library, internet, laboratory and project assignments etc. which promotes the process of self-learning.

- **Evaluation:**

Student's knowledge and skills are assessed continuously. The progress and attendance status are monitored under Mentor-Mentee system and wherever lacunae are observed, remedial measures are taken up and parents are duly informed through Cumulative Records to help them to improve the performance.

Every attempt is made to improve the general quality of learning through well- planned strategies of teaching and evaluation. College provides a supportive and vibrant learning environment and many other facilities.

Research, Innovations and Extension

Research, innovations and extension were given much importance during the post accreditation phase.

- Currently there are 2 research guides in various disciplines and 11 of our staff members are pursuing Ph.D.
- Faculties of our college have undertaken several minor research projects funded by the management of our college.
- The faculties of our college have published more than 09 research papers in Scopus indexed /UGC notified journals. A total of 36 books, book chapters, research articles, newspaper/magazine articles are

published.

- College has Industry Interface lab, museum, Herbarium and tissue culture unit with laminar flow that are available within the campus for the use of students and researchers.
- Various departments have been organizing conferences, seminars, and workshops on curriculum-based concepts that enhance the students' interest towards research. The college has organized several workshops/seminars on Research Methodology, IPR and Entrepreneurship.
- The college has a Gandhian Study Centre dedicated for studies/research, documentation and dissemination of the Gandhian thought and history.
- The college provides a forum for many cultural organizations within the campus. The students are also encouraged to take up research projects on innovative topics.
- Various Club activities are conducted in our college through which students and faculty members are encouraged to undertake activities like Swachh Bharath Abhiyan, beach cleaning activity, planting the saplings, environmental awareness programs and helps in disaster management, and also has adopted a village namely Alevooru.
- The institution has organized and participated in various extension activities through its collaboration with Government agencies and NGOs with the objective of sensitizing students on various social issues and also contributing to the community while equipping them with appropriate skills for their holistic development.
- 05 functional MOUs with various institutions/agencies have been signed. The collaboration has enabled the institution to organize wide-range of extension activities and facilitate internship programmes.

Infrastructure and Learning Resources

- The College Campus is spread over 46 acres of land including a playground of 4.53 acres.
- There are 34 classrooms in which 14 are provided with LCD facilities and one with a Smart Board.
- Science Departments have well-equipped labs.
- English, Mathematics, Journalism Labs, Zoology, Botany, Mathematics and Computer Museums, and a Botanical Garden with a variety of rare species of plants are present.
- State-of-the-art 5 Computer Labs have 250 desktop computers, 10 iMac Machines, 2 servers, 13 laptops.
- GetMi Class proprietary and other open-source Learning Management System is used.
- The college in total has 355 computers and accessories for student use.
- Departmental clubs, NCC, NSS, Rangers, Rovers and Youth Red Cross provide opportunities to the students for various types of activities.
- Air-conditioned well furnished 'Nutana Ravindra Mantapa', 'Geethanjali', 'Audio Visual Hall', Conference Hall, Board Room and Seminar Hall are ICT enabled and used for curricular/co-curricular/extra-curricular activities. A unique open-air auditorium 'Muddana Mantapa' is used for major events.
- College library 'Grantha Loka' is well equipped with more than one lakh books, CDs, Journals, Magazines, Dailies, OPAC & E-Resources. PG Library is also present in 'Vajrasoudha'.
- Ladies rooms 'Parvathi Nilaya' and 'Saguna Nilaya', boys restroom, eight toilet blocks and Student co-operative store are present in the campus.
- Teaching-Learning Centre functions actively to enhance the skills of the teachers.
- Indoor sports complex with facilities for indoor games and gymnasiums is available. Outdoor games facilities are also provided in the campus.
- College Canteen provides food at subsidised rates. Mid-day meal facility is provided to the needy students.

- College gives thrust to Green Campus and has implemented rain water harvesting.
- Solar lights have been installed.
- Campus is under CCTV surveillance.
- Department of Computer Science is in-charge of the maintenance of Computers and related accessories which are updated regularly.
- Campus-wide Internet facility is available with 3 connections of 100 Mbps-unlimited plans.
- College ladies hostel 'Vadiraja Vidyarthini Nilaya' can accommodate about 200 students with proper amenities and few of the rooms have attached bathroom and toilet.
- Sufficient resources are allocated for the regular maintenance of the Campus and periodic renovation/replenishment of the infrastructure.

Student Support and Progression

The college prospectus/calendar provides information regarding the history of the college, tentative calendar of events, courses offered, admission rules, examination rules, code of conduct, co-curricular and extra-curricular activities, scholarships, support facilities like library, canteen and hostel, amenities for sports and games, instruction to parents and guardians.

- On an average **52.2%** of the students get scholarships and free ships from the government & non-government agencies.
- Workshops are conducted for students to develop valuable entrepreneurial, soft and life skills. The College arranges sessions for competitive exams, career development, Professional information, Skill enhancement, Capacity building and self-employment.
- The College NCC/NSS/YRC, Rangers and Rovers units are rendering services to the society through organizing free health check-up & blood donation camps.
- Ragging is strictly forbidden and there is a policy for dealing with sexual harassment. The College maintains Zero-tolerance approach against sexual harassment/ Gender based violence and ragging.
- Placement cell of the College regularly conducts campus recruitment drives. A good number of students are absorbed by reputed multinational companies like schneider electric, TCS, Deloitte, Infosys, Wipro etc through such placement drives.
- Students are also encouraged to pursue higher studies in the areas of their choice. Students are provided with the necessary information and guidance in this regard. The progression of students is well monitored.
- Students are encouraged to take part in sports and cultural activities not only in the campus but also at the State and National level.
- The Student Welfare Council (SWC) of the College is vibrant and enthusiastic. It has representation in various committees like the College IQAC, various clubs and cells. SWC is like a bridge which enhances the communication between the students and the teachers, it is an umbrella for the various activities, showcasing the student's talents.
- The College has a registered Alumni association that gives a sense of belonging to the Alma mater. It plays a great role in the all-round advancement of the institution. The Alumni make financial contribution especially for mid-day meals, endowments, sponsorships and scholarships. Alumni have also donated equipments and required items to the College.

Governance, Leadership and Management

- The management of the Mahatma Gandhi Memorial College is vested in the Mahatma Gandhi Memorial College Trust, a registered body, having full control over the affairs of the institution. It is appointed by the Academy of General Education Manipal. The Trust takes decisions on academic and administrative matters. The Principal of the College as the Secretary of both the College Trust and Governing Council, implements developmental activities of the College. All the departments have functional autonomy to carry on with the academic and administrative activities.
- The College has well stated Vision, Mission and Objectives which are followed by all stakeholders and the same is reflected in the governance system of the institution. The recruitment policy strictly adheres to the principle of non-discrimination, attracting the best talents. E-governance has been implemented in all areas. The College has adopted various kinds of appraisal mechanisms. The College offers a wide range of welfare measures to its employees.
- E-governance has been Implemented in the areas of operation like Administration, Finance and Accounts, Student Admission, Support and Examination.
- The aspiring staff are also extended financial assistance and also on-duty leave to enable them to attend such academic programmes held in various other institutions and centres.
- For updating the knowledge and professional competency of teaching staff, a Teaching Learning Centre is functioning in the campus.
- On the Financial front, proper accounting system is maintained to ensure the efficient management of funds. The annual internal and statutory audits are conducted to ensure transparency of financial matters.
- The College has an IQAC which functions with the aim of improving the quality of education and overall development of the students by organising various quality activities.
- IQAC organizes ICT workshops to enable teachers to intersperse technology in curriculum to make the art of classroom pedagogy more relevant and interesting
- In order to improve teachers' quality, the IQAC has been motivating the teachers to attend NET/SLET workshops. Teachers are encouraged to upgrade their skills through Online learning platforms like SWAYAM and MOOCS.

Institutional Values and Best Practices

- Gender equity focuses on fairness and justice for women and men. The college, established in 1949, was the first co-educational institution in the district. It believes in providing a safe, constructive, conducive learning environment to all. The institution has been promoting various initiatives for sensitizing students and empowering women, in tune with its vision and mission. It has facilities and arrangements such as ladies rest rooms, ladies hostel, in-house counseling and security in the campus to ensure safety and support the gender equity initiatives. Gender sensitization programs are conducted on a regular basis.
- The National and International commemorative days are being celebrated in college with an intention to impart values, motivation, integrity, commitment, dedication and patriotism. The days observed include Gandhi Jayanti, Independence Day, Republic Day, International Women's Day.
- The institution has facilities for alternative sources of energy and has initiated energy conservation measures.
- The institution has a disabled-friendly and barrier free campus. Ramps and railings have been set up to help the students with locomotor disability.

- The College also has an extensive rain water harvesting facility and is committed to make the campus plastic free zone. A well planned Waste Management System helps to sustain a clean and green campus. The College possesses one botanical garden and two herbal gardens where rare plants are preserved. Greenery of the campus provides a calm, peaceful, encouraging study setting for students.
- The college tries to provide an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities by organizing meaningful events and celebrations. Students from rural areas, especially girls, constitute major part of our student population. To bring to fruition our revered founder's vision, the institution provides affordable, inclusive education to all.
- "Blood Donation" and "Placement support" are two of the many good practices successfully implemented by the institution. "Nurturing Holistic Development" to bring out culturally vibrant, educationally competent, empowered, humane and socially responsible citizens is the institutive distinctiveness that we relentlessly strive to achieve for.

Institutional preparedness for NEP

1. Multidisciplinary/interdisciplinary:	NEP was introduced from the academic year 2021-2022 for UG programmes. The college adheres to the NEP guidelines of Government of Karnataka and Mangalore University. Different departments of the college are offering open electives to the students. This option given to the students has given the opportunity to select the subjects outside their core stream. Thus a commerce student can take an open elective from humanities, science or computer applications. This has led to the holistic development of the personality of the student. The college has teachers who are equipped with domain skills for the effective imparting of the knowledge.
2. Academic bank of credits (ABC):	The academic bank of credits is a national level facility that promotes the flexibility of curriculum framework and interdisciplinary/multidisciplinary academic mobility of students in the country. It will be implemented by the university/ state government/ UGC. The students are encouraged to enroll to different education portals so as to up skill themselves. They are suggested with good portals like “swayam”. Students are appraised about the credit system. They are also guided about the advantages of having credits accrued. They are also made aware of using of credits accrued by the students through their regular course and other courses for their advanced courses.
3. Skill development:	Besides the courses being given as open electives different departments of the college are offering various types of courses to enhance the skills of the students. The certificate courses offered by the departments are to enhance the employability of the students. The courses are designed to suit the needs of the industry. Few departments also help the students to take up end semester projects even if it is not stipulated in the syllabus. College pays for the resources needed to implement the projects. Required electronic components are bought for the projects by the college itself.
4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):	Teachers teach both in English and Kannada. Knowledge is imparted in the blended mode of two languages. Some topics are discussed predominantly in Kannada. Students communicate with the teachers mostly in Kannada. College is a cultural hub and students participate in various cultural activities conducted by various clubs. Students are guided to

	subscribe to online courses to enhance their knowledge.
5. Focus on Outcome based education (OBE):	Experiential learning is given thrust. Students are encouraged to carry out field works, surveys, project works etc. Industrial tour helps the students to have the feel of work environment. Opportunities are given to the students to have interaction with subject experts. Students are encouraged to have interactions with the industry and their innovative ideas are tried with the help of the commercial organizations.
6. Distance education/online education:	Students are guided to pursue education through online mode also. Students are appraised about the opportunities provided in NEP to up skill. Benefits of Distance/online education to acquire qualification is also discussed. Usage of accrued credits is discussed and using of it for the entry into different courses.

4. Quality Indicator Framework(QIF)

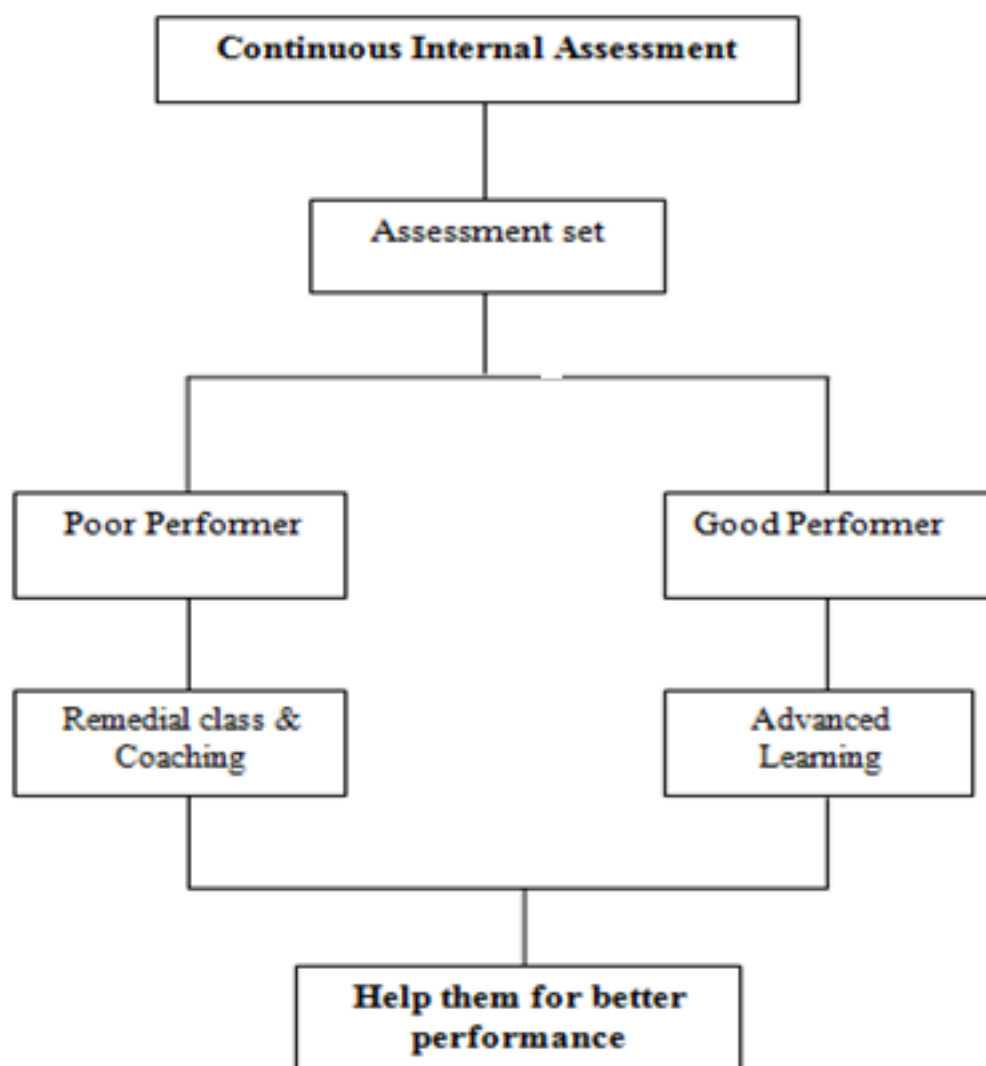

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1 The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response:

The College is affiliated to the Mangalore University. Hence, the College follows the curriculum and the relevant guidelines of the University. The College has a systematic mechanism to design action plans for effective implementation of the curriculum. There are various committees in the College for this purpose. The Principal convenes regular meetings with the HODs and staff members to discuss and develop an effective system for curriculum delivery. The Academic Calendar of the College along with the semester plan is prepared on the basis of the University calendar. The College Calendar consists of the stream-wise details about the curriculum. It also mentions all the important dates like date of commencement of the semester, Internal Assessment, and the last working day etc. All the academic aspects are planned at the departmental level and also College level. The time table, semester plans and other aspects are implemented after they are approved by the Staff/Academic Council and is conveyed to the teaching and non teaching staff members through staff meetings. The relevant information regarding the outcome of the meetings are communicated to the students through all the notice boards. Curriculum delivery and imparting of lessons are done effectively through traditional as well as innovative teaching methods by using ICT , Multimedia Presentation , Assignments , Observations, Discussions, Projects, Practical learning, Lectures, Online Teaching, Workshops/Seminars, Peer Teaching, Library References, Industrial Visits, etc., in addition to the regular classroom teaching for the benefit of the students. The learning outcome of each subject is assessed through continuous evaluation, internal assessment and semester exams. The College closely monitors this process and the same is reviewed from time to time to ensure the fulfillment of the programme and course outcomes. The Academic performance of the students is constantly monitored at all levels and the same is conveyed to the parents. The Mentor-Mentee system helps to understand the efficacy of the system and also helps to identify the slow learners and advanced learners. Slow learners are provided with remedial classes in order to help them to perform better. The Advanced learners are appropriately motivated to attain greater achievements. The Infrastructure and facilities are upgraded continuously to suit the needs of the curriculum. The College has a resourceful library, well equipped laboratories and classroom with Projectors/ICT facilities to fulfill the requirements of the students. The College encourages consistent upgradation of knowledge of the teachers along with the improvement of teaching and mentoring skills. Our mechanism enables a proper dialogue with all the stakeholders through constructive feedback. It also enables constructive communication with the affiliating University. Overall, it is a well structured teaching, learning and assessment/evaluation system, where proper documentation is made by maintaining relevant files and records. The CIE was continuous and regular part of education even during the COVID-19 pandemic and the successive lockdowns. The Classes were conducted on a regular basis through online mode in 2020-2021. NEP has been introduced since 2021-22 for I Year U.G. only.

1.3 Curriculum Enrichment

1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Response:

The Compulsory courses include Gender Equity, Environmental Studies, Human Rights and Indian Constitution in the curriculum of the first and second year syllabus. Indian Economics, Environmental Economics, Karnataka Economy, Ecology and Environmental Biology, Toxication and Wild Life Biology are also part of the curriculum for final year students. Professional ethics is taught under the topic social and ethical values in management. These subjects provide free environment for inculcating values and developing ethical competence among the students. College celebrates days of National and International importance like Republic Day, Women's Day, Independence Day, Teacher's Day, International Yoga Day, Voter's Day etc.

Gender Specialization:-Concepts of sex, sexuality, patriarchy, gender stereotypes, gender division of labour and gender bias are taught along with the importance of gender equity in society. The College has Women Cell and Grievance Redressal Cell to provide counseling and promote gender equity among students. College deals with related issues of safety and security of female students, staff and faculty. The College campus is secured with CCTV .There is separate Girls Hostel in campus for providing the safe environment to girl students.

Environment and Ecology:-Environmental Economics paper for III BA students include topics like Solid Waste Management, Common Property Resources, Environmental Valuation, Consumerism, Biodiversity, Global Warming, Acid Rain, Green House Effect, Environmental Education, Rain Water Harvesting, and Sustainable Development conservation of natural resources. B.Sc students opting BZC combination learn Ecology and do a project on an ecosystem. The Campus has rich flora, an exotic botanical garden and two

herbal gardens.

Environment and Sustainability are an integral part of the curriculum. The College has an integrated Rain Water Harvesting system. There is an extensive ongoing tree plantation programme like Vanamahotsava, Environmental Day etc.

HumanValues:-Human values such as dignity, liberty, equity, justice and unity in diversity are included in the curriculum of BA, B.Com, BCA and BSC students. Human Rights are basic rights and freedom that belongs to every person in the world from birth to death without any discrimination.

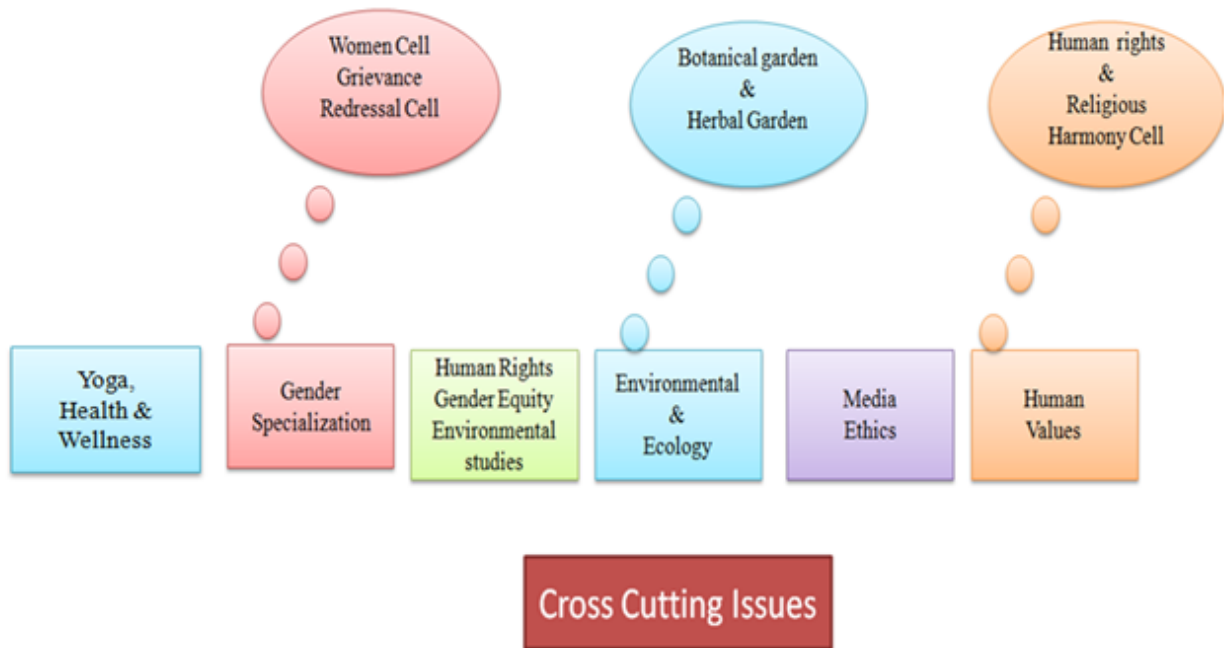

B.Com courses include papers on Business Law and Practice, Company Law, Tax Procedure, etc., Which help the students to gain knowledge in respective fields. Human Resource Management paper gives the knowledge of labour law, manpower planning, training and skill development.

The College campus has various gardens. These gardens provide an enriching experience. Nature Camps organized by NSS, Rangers and Rovers .It help students to identify the necessity behind environment conservation. Cultural event talks, debates, discussions by various clubs (Arts, Commerce, Science, IT), Cells and Forums are organized to enrich and empower students. Students are guided and motivated to participate in various academic activities and competitions within and outside campus on the themes of gender, environment and human values.

Media ethics has been taught for journalism and open elective students.

Media ethics promotes and defends values such as a universal respect for life and the rule of law and legality.

Yoga, Health and Wellness has been introduced much before the implementation of NEP.

2.2 Student Teacher Ratio

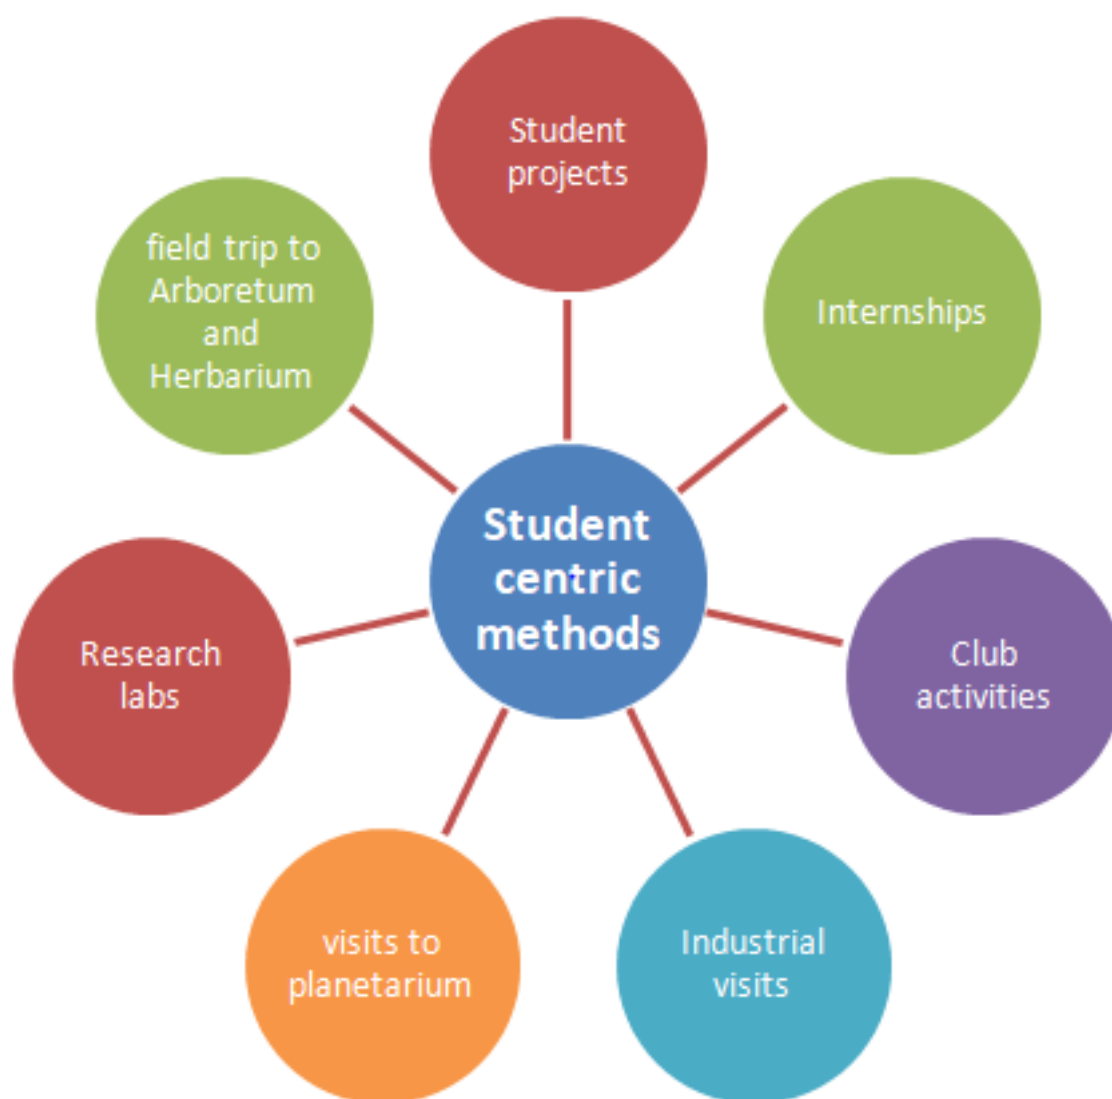

2.2.1 Student – Full time Teacher Ratio (Data for the latest completed academic year)

Response: 24.15

2.3 Teaching- Learning Process

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences using ICT tools

Response:

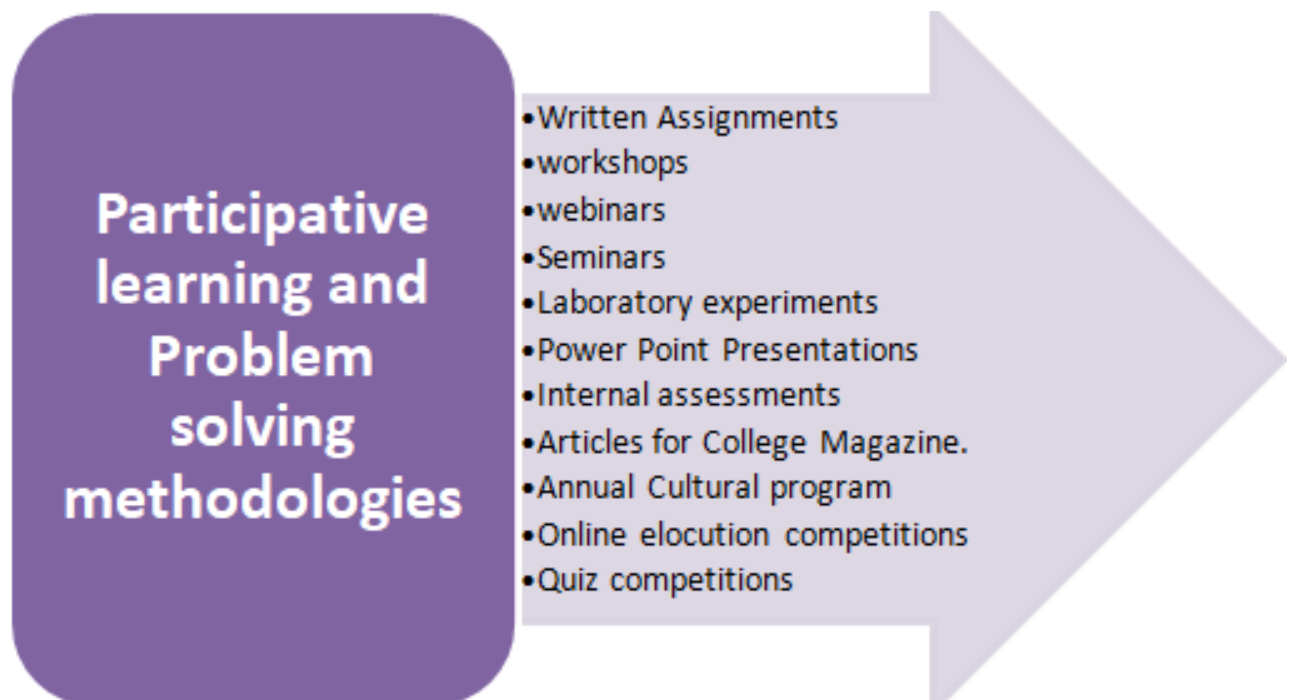

In addition to the curriculum, the College plans for the effective implementation of student centric methods to enhance learning experiences of the student. The College implements them through Student projects, Internships, Club activities, Industrial visits, Visits to planetarium, Research labs, Field trip to Arboretum and Herbarium etc. In addition to these the students participate in various activities organized by NCC, NSS, Rangers and Rovers, Youth Red cross and other clubs like Eco club, Commerce club, IT club. Seminars, Webinars, Workshops organized by various departments also help in the enhancements of learning experiences.

Teachers give importance to interaction in classes and encourage innovative thoughts. Lessons are taught through Power Point Presentations to make learning interesting besides oral presentation methods, highlighting learning objectives and program objectives. This provides a comprehensive understanding to the student right at the beginning of the course as to what should be their primary focus. It also helps them in self-evaluating their performance at the conclusion of the course.

Internal assessments are planned to encourage students to work independently. Written Assignments are required to be submitted by students and these need to be done individually by researching on the given topic to enhance confidence and develop writing skills. Seminars help students to present their ideas before

the entire class, which helps them to overcome stage fear and gain confidence in public speaking. Articles are also collected from the students to develop the writing skills and also to publish in College Magazine.

Student representation is an important initiative taken by the College. Representatives of students serve as members on committees like SWC, IQAC, and various clubs in order to involve them in the decision making process and to inculcate a sense of responsibility along with participative decision making and problem solving skills.

Project work plays an integral part of the curricula at UG and PG level programs. The interaction with our Alumni is designed to guide and motivate our students to take up the projects for their internships, career guidance programs to improve the abilities to face interviews and get good jobs in future.

Annual Cultural program is organized every year for the students of the College to exhibit their creativity and also to improve their skills such as leadership and inter personal communication.

Online elocution competitions, Quiz competitions, Interactive webinars on Google Meet platform organized by various Departments in association with industry experts for the students of our College helped the students to cultivate the soft skills like communication skills, leadership skills, problem solving skills, interpersonal skills, etc, to keep pace with the changes in almost all the fields. We have used GetMIClass online platform to impart/deliver the classes during Covid pandemic, which has various features like monitoring the activities of the students and teachers, sharing study materials, question and answer session etc.

The faculty members of the Computer Science department have developed software like 'Marks Processing Software' which provides their students the exposure to experiential learning. The department is also equipped with smart board class room.

2.5 Evaluation Process and Reforms

2.5.1 Mechanism of internal/ external assessment is transparent and the grievance redressal system

is time- bound and efficient**Response:**

Our College is affiliated to Mangalore University. The rules and regulations for evaluation, which are laid down by the affiliating University, are communicated to the students at the beginning of the academic year.

Evaluation is transparent, based on parameters like Assessment by the Teachers, Internal Examinations, Unit Tests, Assignments, Field Visit, Seminars and Project Works.

The mode of internal assessment and Syllabus is communicated well in advance, to ensure transparency. Internal examination dates are notified to the students at least a week earlier. Question papers are set based on Course outcomes and are approved by Heads of the Departments.

Unit Tests are taken in the respective subjects. Every subject teacher goes through the answer paper as soon as the tests are over. The faculty members guide the students to improve the performance in University Examinations.

Students are instructed to prepare different topics for Seminar presentations for which the students may select a recent and innovative topic and present it in front of their classmates, and the department faculty. The seminar presentations are assessed based on topic selection and presentation skills.

Faculty members encourage students to do in-house projects. They are provided with necessary hardware and software support. Projects are assessed on the basis of its scope, content, social approach, student's attitude, conclusion, etc.

Students of Fifth and Sixth Semester B.Sc.(BZC), Sixth semester B.Com(Voc), Sixth Semester B.C.A and Fourth Semester M.Sc. have project work in their curriculum. They are assessed on the basis of VIVA, presentations, progress in work etc.

In laboratories, day to day performance is assessed based on regularity, performance of experiment, VIVA and timely record submission. Marks are given to the student for each experiment in the observation book.

Internal assessment was done through online mode even during the COVID-19 pandemic.

The College has a mechanism to deal with internal examination related grievances which is transparent, time-bound and efficient.

By adopting the criteria as per the direction of affiliating university, complete transparency is maintained in internal assessment tests. All the students are clearly informed about the evaluation procedure, internal and external marks allotment as per their regulations of the University.

After evaluation of internal assessment answer scripts, they are shown to students by subject teachers and they are given a chance to clarify doubts if any. If they come across any doubts, clarification is given which enables them to score better in future. Any student who is not satisfied with the assessment or award of marks may approach the concerned faculty and HOD. Personal guidance is also provided to the students who have performed poorly. Students' performance is analyzed so as to make improvement in teaching strategies.

If a student is not able to appear for examination due to medical or any other genuine reason re-examination is conducted for that student as per norms, provided that he/she submits application with proper documents.

The College has a Student Welfare Officer, Examination committee and Cumulative records convener, who guide the students in matter of grievances related to examination.

2.6 Student Performance and Learning Outcomes

2.6.1 Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website and attainment of POs and COs are evaluated

Response:

The Undergraduate Curriculum is designed in a manner in which the student will be taught fundamental courses that prepare them to pursue advanced courses in the programme. The elective or higher level advanced courses and the National Education Policy 2020 give more importance for practical/skill based learning. The College offers BA, B.Com, B.Sc, BCA and M.Sc programs each having unique and well defined outcomes. The specific learning outcome of various courses is built into the curriculum of each discipline. For each program, the Affiliated University frames syllabus in the prescribed form and the syllabus under NEP is framed by the State Govt. Syllabus copy is available to all the stakeholders on the University website and is uploaded on the institution website, hard copy of the same is available in the College library and respective departments along with program outcome and course outcome for reference.

The importance of learning outcome, program outcome and course outcomes is communicated to the teachers in IQAC meetings and staff meetings. The students are apprised of the objective and expected outcome of their program at the time of admission. The Counseling Cell and College office, applications, prospectus provides additional information. The outcome of the program is outlined during the common orientation day organized on the commencement of the academic year. This is further reinforced into orientation programme organized separately by each Department. At least one hour is spent by the Teachers for introducing outcomes and course to the students in the beginning of each semester. Students are provided opportunities to interact with senior students and Alumni to learn about their experience and career paths, so that they are encouraged and motivated to chart out similar road maps for their own future. In addition to this all the key stakeholders are made familiar with program outcome through faculty workshops, student workshops, student induction program and student's interaction.

The courses are taught to the student by various teaching methodologies like classroom teaching, laboratory experiments, group discussions, presentation, conferences, seminar, projects and career guidance programs, Add-on courses, certificate courses, industrial visit, extracurricular and co-curricular activities. The students are also encouraged to participate actively in job fairs and campus interviews. The attainment of outcomes are evaluated through-

In each semester, the following schedule is implemented.

- There are two unit tests for each subject.
- Preparation and maintenance of record books
- There is a model examination prior to University examination for the practical subjects.
- Each student is required to submit assignments according to the needs of the subject.
- Students are exposed to the classroom seminars on the various topics. This helps them to organize their ideas and presentation skills.
- CO's attainment level can be measured based on the results of the internal assessment and external examination conducted by the University.
- Comparison of semester marks is done by entering student's marks in the cumulative records, which is maintained for each student separately. Similarly they are also provided with credit break ups for different activities.

3.2 Innovation Ecosystem

3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Response:

Institution has created an ecosystem for innovations including Industry Interface Laboratory and other initiatives for creation and transfer of knowledge. Keeping in mind the importance of research in enhancing the quality of education, the College promotes a research culture among its staff and students by encouraging the faculty members to undertake research projects that are useful to the society. The institution has excellent infrastructure and extends good facilities and autonomy to the staff members who pursue research. The College encourages interdisciplinary research and inter-departmental interactions in research and seminars by promoting academic resource sharing. The College has Gandhian Study Centre which is a dedicated study centre for studies and documentation on the Gandhian thought and freedom movement. The centre has been undertaking interdisciplinary studies on various themes of contemporary relevance. The College has state of the art library with more than one lakh volumes, innumerable journals and periodicals. Museums, Herbarium, Botanica and Plant-Tissue Culture Unit with laminar air flow that are available within the campus for the use of students and researchers. Research Scholars/Scientists from various institutes visit Herbaria maintained by Department of Botany for their reference. The MOU's signed with different organizations help students to understand the new technologies. Students are trained to perform innovative Yakshagana and Drama plots to supplement the learning process. The College provides a forum for many cultural organizations like R.G.Pai Samshodhana Kendra, Regional Resources Centre for Folk Performing Arts and Yakshagana Kendra which provide a platform for the students and

teachers to extend the horizon of knowledge. Cultural activities like Muddana Sahityotsava, Spectrum, Pratibha Vedithe, Tulu Isiri are conducted every year.

The research facilities are supplemented with a well stocked library and internet facility with access to e-resources. Many of our staff members have presented their research papers in various national and international seminars. Some papers have been published in peer reviewed journals adding to the enrichment of the subject of the study. Some of the faculties have authored and edited the text books pertaining to the syllabus. Faculty members are involved in research work for their Doctoral degree from different Universities in their respective fields of studies. College conducts National & International webinars and workshops for the benefit of the staff and the students.

In our institution there are various club activities conducted to encourage students and faculty members to undertake innovative activities to enhance creativity and knowledge. Activities conducted are helpful to develop leadership qualities, various skills, planning, organizing and budgeting. Activities conducted by Literary Forum are helpful to enhance the skills of languages and creative thinking. Departments have departmental wall-magazines and in-house bulletins that help students to showcase their talent in writing and encourage them to think creatively. Our students have opportunities to do projects at various institutions. Students of our College attend Research camps held at various institutions and Research Centers.

3.4 Extension Activities**3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.****Response:**

The extension activities have sensitized the students on various areas like social, health, educational, cultural, developmental issues of community and universal importance. The activities have contributed to the overall development of the students by creating awareness, helping them to develop leadership qualities, better communication skills and ability to work as team.

As a part of peer teaching, under the guidance of faculty members, students are sent in groups to various institutions to teach the students the subjects that support their curriculum. These sorts of exposures to the real-time classroom situations have sensitized our students to understand the psychology of the learners. Science experiments and demonstration for high school students are organized by our College. The students from nearby schools and P.U. Colleges are invited to our campus. Here they are taught various concepts of General Sciences including Chemistry, Physics, Mathematics, Botany and Zoology. The school children are taken to our Museums, Labs, Departments, Botanical Garden and Library. Various experiments are demonstrated. Competitions are also held to encourage the children. These activities have helped in encouraging the spirit of enquiry and scientific temper among the students. Environmental awareness programmes and hands on training in grafting, rainwater harvesting, vermicomposting and other relevant activities are conducted for school teachers, children and farmers.

The activities of our NSS that were carried out in the neighborhood communities have sensitized the students to various social issues. The activities at the adopted village, Alevooru includes Socio-economic Survey by the NSS volunteers, pledge to plant saplings, distribution of saplings to the villagers, Cleanliness Drives, Awareness Programmes, assistance in paddy cultivation and other agricultural activities, wall paintings on social themes, demonstration on preparation of seed balls, rallies on "Swachh

Alevooru and Shreshtha Alevooru” held at adopted villages and other constructive activities undertaken by NSS during their annual camps at various rural areas including Neelavara Goshala have contributed for the holistic development.

Activities of the NSS, NCC, YRC, Rovers & Rangers, Gandhian Study Centre etc. help in inculcating patriotism, organizing skills, unity and discipline. The activity under Swachh Bharat Summer Internship program had given an opportunity to our students to understand the issues relating to sanitation and cleanliness.

Activities such as blood donation, visit to orphanage, rallies to create awareness on drug abuse, AIDS, sanitation, cleanliness and humanitarian treatment etc. are regular features of our extension programmes. These have strengthened sense of service, empathy and compassion. Activities such as voters’ awareness, awareness on human rights, communal harmony and equity have helped the students to be responsible citizens. The extension activities supplement our curricular, co-curricular, and extra-curricular framework and provide an effective forum for experiential learning.

The College has extended its facilities, and reached out to the neighbourhood in support of the social, cultural, and educational causes. The unique activities such as MGM Pustakotsava, Krishi Sammilana, and Khadi Pavitra Vastra Abhiyana are some of the noteworthy initiatives of social responsibility that have sensitized and inspired the students.

3.4.2 Awards and recognitions received for extension activities from government / government recognised bodies

Response:

True to its Vision and Mission, the College is committed to social service and community engagement. The College carries out the extension activities as a part of its social responsibility initiatives under its various units and clubs. The units like NSS, NCC, YRC, Rovers, Rangers, and the clubs like eco club, and many teaching departments have undertaken extension activities that are worth mentioning. Along with these activities the College has been extending wholehearted support and cooperation to Government bodies, Government recognised bodies, other agencies, NGOs and organisations by actively collaborating/associating with them to work with them or to create awareness on various social issues through our extension and outreach activities. The services rendered by the College have been recognised and commended by the people, civil society, and the media.

The very fact that various government bodies like District Administration, Department of Youth Empowerment, Gram Panchayat, Municipality, Nehru Yuva Kendra etc are continuously seeking our collaboration can itself be a testimony for the recognition gained.

In terms of rewards and recognitions, so far, as per its tradition, the College had no intention or practice of applying for rewards/recognitions. And the College had no intention of collecting appreciation letters/certificates for every extension activity undertaken by it. However, for some of the activities, the Government bodies/recognized bodies have on their own given us their recognition in writing for the services rendered by us. They are as follows

Criterion 4 - Infrastructure and Learning Resources

4.1 Physical Facilities

4.1.1 Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution

Response:

The College is spread over 46 acres of land. It comprises various kinds of facilities to augment the learning efforts of the students. There are 34 classrooms of which 14 classrooms are provided with LCD facilities and one with smart board. Wi-Fi/LAN facilities are available in 4 classrooms and 6 laboratories. All the Science Departments have well equipped labs. English Language, Mathematics and Journalism Labs are also there. Zoology, Botany, Maths and Computer Museums are present. A Botanical Garden with a variety of rare species of plants is maintained.

‘Vajrasoudha’ having 48,000 sq. ft. houses the Computer Science Department which provides both Undergraduate and Postgraduate courses in Computers. Department has 250 desktops, 10 iMac computers, 2 servers, 13 laptops, 25 printers, 02 Print-Scan-Copiers and are in LAN. This building houses a Post Graduate Library with 997 volumes.

Air-conditioned conference hall and Board room is used to conduct council meetings.

Air conditioned ‘Nuthana Ravindra Mantapa’ auditorium can accommodate 500 students, ‘Geethanjali’ can accommodate 250 students are used for conducting major activities. Audio- Visual Hall can accommodate 150 students. Seminar Hall for about 100 students. All the halls have a provision for ICT facilities. A unique open-air auditorium ‘Muddana Mantapa’ is used for major events as it has the capacity to accommodate large audience.

Two ladies rooms ‘Parvathi Nilaya’, ‘Saguna Nilaya’ and two gent’s restrooms are provided for the students. Student’s co-operative store provides stationery to the students. Eight toilet blocks are available. Library ‘Grantha Loka’ is automated and has a collection of more than one lakh books with bar-coding tags, 732 CD’s, 20 journals, 60 magazines, and 13 daily newspapers, Delnet and Inflight facilities. The Library houses reading rooms, a reference section, a staff corner, Gandhian Study Centre and ‘Vivekananda Chintana Vedike’. An Internet centre with a Reprographic facility is also present. Teaching-Learning Centre helps in enhancing the skills of the teachers.

GetMiClass proprietary and other open source Learning Management System is used for delivery of content and to monitor the progress.

Clubs of different departments, NCC, NSS, Rangers, Rovers and Youth Red Cross organise many activities for the students.

Campus is green and rain water harvesting is implemented. Solar lights are used.

12,210 sq.ft area indoor sports complex has facilities for playing Badminton, Table Tennis, Carom and

Gymnasium for ladies and gents. The Campus has courts for outdoor games.

A.L.N. Rao playground has an area of 4.53 acres. It has a pavilion, 400 metres track, demarcations for Long jump, Discus throw, Javelin throw and Cricket Pitch.

Canteen 'Annapoorna' provides food at subsidised rates. Mid-day meal facility is provided to the needy students.

'Vadiraja Vidyarthini Nilaya' is the ladies hostel and can accommodate about 200 students. Campus has a post box, Canara Bank, ATM and vehicle stand.

Campus hosts Distance education centre of Karnataka State Open University, Mysore for the needy.

MGM Evening College has been started which is benefiting many students.

Yakshgana Kendra, R.G Pai Research Centre, RRC provides opportunity to do research and learn folk arts.

4.2 Library as a Learning Resource

4.2.1 Library is automated using Integrated Library Management System (ILMS), subscription to e-resources, amount spent on purchase of books, journals and per day usage of library

Response:

The College has a well-equipped and well-stocked central Library. The Library is one among the favourite places of the students and staff members in the College. It is often described by the users as a wonderful place with a perennial treasure of books and knowledge. It is spread over an area of 13037 sq.ft, housed in a majestic three floor building with a seating capacity of 264.

The Library has a good collection of books numbering more than One lakh books with bar-coding tags, 732 CDs of various disciplines, 20 print journals, 60 magazines, and 13 daily newspapers. It has a rich collection of reference volumes such as encyclopaedias, dictionaries, atlas, yearbooks, etc. The library has subscribed to e-resources like INFLIBNET-N List and DELNET through which it provides access to about 6000 plus e-journals and 1,64,300 plus e-books. It also provides access to various repositories like Shodhaganga, NDLI, etc. The library also has a collection of many rare books and books that are out of print now. The library organises User Orientation Programmes every year for both students and faculty regarding the use of Library Resources and Services. It provides Book Bank facility to the needy students and also conducts Book Exhibitions/Festivals to inculcate reading habit among the students and faculty members. To motivate the students 'The Best Library User Award' is given to the students who make best use of the library. The library also has well equipped reprographic machines, printers, scanners and other equipment.

The library infrastructure, facilities and services include:

ILMS Software Easylib

- Name of the ILMS software: Easylib
- Nature of automation: Fully
- Version: 4.3.3
- Year of Automation: 2007

Features of Easylib

- Reports and Statistics
- Barcode Facility
- Usage and Reading Analysis
- OPAC (Online Public Access Catalogue)
- Cataloguing and Accessioning
- Circulation
- Member Management
- In-Out Management

Library Sections

- Acquisition & Circulation Section
- Reference section
- Periodical section
- Newspaper section
- Separate Reading areas for girls and boys with comfortable seating arrangements and washrooms.
- Reprography corner-Photocopy, Print, Scan
- Staff Corner
- Separate stack rooms
- Language section
- IT Zone for browsing internet and accessing e-resources
- PG Section (MSc Computer Science) attached to PG Centre
- Gandhian Study Centre has an exclusive section on books related to Mahatma Gandhi.
- New Arrivals

• **Library Services**

- Computerised Issue/Return, Renewal
- Reference Service
- Subscription of Journals
- The library provides open access system
- Orientation programs for new users
- Access to INFLIBNET- N-LIST
- Access to DELNET
- Digital Repository comprising Question Paper

- Book Bank Facility
- Newspaper clippings
- CCTV surveillance for security reinforcement
- Reprographic facilities.

Annual expenditure of purchase of books/e-books and subscription to journals/e- journals year wise during last five years (INR in Lakhs)

4.3 IT Infrastructure

4.3.1 Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection

Response:

The Department of Computer Science is in-charge of maintaining the software, ICT materials and computer accessories of the College. Computers and Laptops are provided and updated regularly to suit the present day technical needs of the Departments. Internet facility is made available throughout the Campus. Optical Fibre is also used for this purpose. Cable is extended to all the Departments, Auditoriums and the Indoor Sports Complex. CC Camera is installed at different locations in different buildings. Routine activities are monitored and recorded on a Computer. An Electronic Bulletin Board is also installed at the entrance of the main office building and it is used to notify the students about the campus activities. LCD projectors and Laptops are provided to different Departments as teaching aids. 14 Classrooms have LCD projectors. All the staff members have free access to the Internet in their respective Departments and at the Internet Centre. Students are given free access to the Internet whenever they need to carry out their assignments / projects. Departments are provided with computers & related accessories on request to the Principal. The arrangements are made by HOD, Computer Science Department after scrutinising the requirements placed by the faculty members. All the Computers are installed with Antivirus software. The licence is renewed on the expiry. Departments share the Printers and Scanners provided to them in case the need arises.

There are three different OFC based Internet Connections and is provided by the local cable operator:

1. College Office and Campus wide: 100 Mbps- Unlimited
2. Library, Physics and Statistics Department: 100 Mbps - Unlimited
3. Computer Science Department, Lab, Industry Interface Lab and 'Vajrasoudha': 100 Mbps-Unlimited

Computers of Computer Science Departments and other Departments are regularly upgraded with necessary accessories. Computers and the accessories like printers, scanners of the College office are shared through the Local Area Network. Computers in the Commerce Department and Computer Science Department and Labs are connected via Local Area Networks so as to share the resources and enable remote monitoring. Two servers, one having Microsoft Windows and another having Linux are present in the Computer Science Department. In the Computer Industry Interface lab students are encouraged to learn new technologies in collaboration with various IT companies. Apple iMAC machines are provided to the students for developing applications for Apple as well as for Android based machines. Computer Labs of the Computer department are Air conditioned so as to increase the durability of the Computers and the accessories. The Language, Mathematics and Journalism labs are available in the College. An Internet Centre for the students is provided in the Library. Computers in the Library are interconnected and an OPAC facility is provided to the students. All the Computers in different Departments have power backup with UPS.

5.4 Alumni Engagement

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

Mahatma Gandhi Alumni Forum ® is a registered trust which came into existence on 26th May 2002 (Registration No. 34/2002-2003/Dt20.08.02). The primary purpose of this forum is to develop fellowship among the Alumni and to maintain good rapport between them and their alma mater. Alumni association of our college plays an important role in serving and working for the betterment of the college like providing financial aid in the form of scholarships to the poor and deserving students and free meals in the mid-day meals club (college canteen) of the college. This help depends upon the availability of the fund collected

from the members. The members are of three types, life member (Rs.500), Poshak (Rs.1000) and Mahaposhak (Rs. 1500 and above). Significant amount of contribution is donated by the Alumni in every academic year. Besides financial support, the interaction between the Alumni and college students is also arranged by inviting alumni who are working in various fields .To contribute to the personal and career development of the students, every year interactive sessions will be engaged by the various departments of our college by inviting noble alumni personality .Faculty of our college will help the Alumni by providing them recommendation as well as syllabus for the purpose of their higher studies/work .The financial aid is provided not only for the academic purposes but also extended to the co-curricular activities of the college like NSS camp and some other rare occasions like major medical bill of the students is also reimbursed. The office bearers of the forum meet occasionally when there are issues to discuss.

Every year feedback about the present curriculum is collected from the alumni in order to improve it.

The Alumni day is celebrated every year which falls in line with the Annual days of the college. Eminent personality among the alumni is invited as a guest on Alumni day every year. Around 100-200 alumni will meet in the programme and they will share their views. Stage programme is arranged and after the stage programme, cultural event will be engaged by the alumni.

Our Alumnus, 18th Governor of Nagaland, Mr. Padmanabha Acharya was invited to launch a college app called “Notify MGM” by Student Welfare Council of the college.

Commerce batch of 1987 had conducted a reunion in the college campus and wholeheartedly contributed a water purification unit worth Rs. 35000/- to the old block of the college for the benefit of the students.

Criterion 6 - Governance, Leadership and Management

6.1 Institutional Vision and Leadership

6.1.1 The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance

Response:

Vision

A Student of Mahatma Gandhi Memorial College will be an individual endowed with the spirit of enquiry, eager to acquire knowledge and skills, competent to be employed in his field, possessing qualities of leadership, responsible to family, society and nation, capable of appreciating aesthetics and understanding our cultural heritage and rational as well as humane in attitude.

Mission

The Mahatma Gandhi Memorial College strives to provide students with quality education using innovative and humane methods of teaching and learning, to develop in them competence for employment as well as entrepreneurship, to promote their power of thinking and creative ability, to organize activities that will contribute to the understanding of their responsibilities to the family, the society, the nation and to promote national integration through cordial relationship between and among stake holders.

Under the aegis of the Academy of General Education, Manipal, the College has been well nurtured by the Mahatma Gandhi Memorial College Trust and College Governing Council, both of which have contributed a lot in shaping of this College as an 'Institution of academic and cultural distinction'.

Teaching and administrative staff are given representation in various activities related to the decision making and implementation processes. In addition to this there is a Staff Council which is headed by the Principal and comprises of all the heads of the departments and the librarian. Plan of the activities for the academic year is chalked out by the Principal in consultation with Staff Council and IQAC. The suggestions given by Students' Welfare Council are also considered while organizing various activities and competitions.

Teachers are encouraged to develop the departments on modern lines in consultation with the Principal. For implementation of plans adopted in the staff meetings, the Principal is aided by IQAC, Staff Council, NSS, NCC, Rangers and Rovers, Youth Red Cross and all the Committees/Cells like Admission Committee, Discipline Committee, Examination Committee, Anti-Ragging Committee, Grievance Redressal Cell, Placement Cell etc., Through various Clubs valuable programmes are organized to enhance the employability of the students. The administrative staff take care of smooth and convenient functioning of administrative system in collaboration with the Principal and teaching staff.

The Academy of General Education as the top management body gives general guidelines to the Principal regarding his responsibilities and roles. The role of Principal is to facilitate co-ordinations and co-operation among the faculties and students in organizing activities of the College by adopting a policy of transparency in decision making and effective implementation. The policy of the institution is formulated

to ensure the fulfillment of the mission.

Teachers are allowed to arrange study tours, field trips and industrial/higher educational institutional visits to train the students in practical knowledge. Students' Welfare Council (SWC) is formed to groom students' leadership quality. Students are given an opportunity to become the secretaries of various clubs like NSS, NCC, YRC, Rangers and Rovers, Eco Club etc.

6.2 Strategy Development and Deployment

6.2.1 The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, deployment of institutional Strategic/ perspective/development plan etc

Response:

Mahatma Gandhi Memorial College is managed by the MGM College Trust which is a registered body. Presently, Sri Satish.U. Pai is heading the College Trust and The Governing Council as the President. The Governing Council plays an important role in the governance and Management of the institution and ensures transparency in functioning of the College. The Principal of the College as the Secretary of both the College Trust and Governing Council, implements developmental activities of the College in concurrence with the Trust and Governing Council. The College has a Staff Council consisting of the Principal and all the Heads of Departments. The Staff Council along with the IQAC, meets regularly to discuss the steps to be taken for the effective functioning of the College. The Student Welfare Officer works as the liaison officer between students and the Principal. There are a number of clubs/cells meant for co-curricular and extra-curricular activities of the students. The success of any institution depends upon effective governance and leadership. The major decisions regarding finance, appointment of teachers and administration are taken at the management level. Recruitment policy strictly adheres to the principle of non-discrimination based on gender, cast, colour, religion, language. College attracts the best talent through effective and fair recruitment and selection practices that are consistent and aligned with its primary goals of teaching. Decisions related to Conducting examinations, organizing programmes at the college level, extension activities etc. are taken in the Staff Council meetings. The Principal being the head of the institution holds the authority over every aspect of the College.

The Mahatma Gandhi Memorial College strives to provide students with quality education. The Institution believes that teachers are the main pillars to attain this goal. To improve the quality of teaching and learning and to develop the learning skills, College has established a **Teaching- Learning Centre**. Regular Sessions are conducted under the Teaching-Learning Centre to hone the teaching skills and acquaint teachers with innovative teaching methods. Quality improvement in teaching and learning is designed and deployed with the aim of preparing the students for becoming competent professionals in their respective fields. Management of the Institution focuses on making the best infrastructure available to students to cater their requirements. Various policies have been designed to shift from traditional tools to digitally advanced tools like ICT enabled classrooms, and English Language Lab facility. The Management

encourages College faculties to be innovative in their teaching-learning and evaluation techniques by devising bridging modules, remedial classes for slow learners to bring them back into the mainstream, blended learning, Case study method, Self-learning through live projects, Internship based learning, fieldwork, learning expeditions, projects, debate and elocution competitions, group discussions, seminars for their expedite. Measures have been taken and implemented to enhance the experiential learning for undergraduates and Postgraduates on the learning management system, where the didactic lectures are captured in audio visual format and made available for easy access. During COVID-19 pandemic, with respect to e-learning, the faculty duly uploaded the classes in asynchronous mode through Mi-class portal.

6.3 Faculty Empowerment Strategies

6.3.1 The institution has effective welfare measures and Performance Appraisal System for teaching and non-teaching staff

Response:

- **For Teaching and Non-teaching staff:**

The College provides a number of welfare measures for the benefit of both teaching and non-teaching staff. Extreme care is taken to see that all the statutory benefits provided by the government are reaching to the staff on time.

- **Health care facilities:**

Spacious Indoor Sports Complex with modern sports equipments, Outdoor stadium, Annual sports competitions, Yoga classes, Purified drinking water facility and MAHE Medicare facility are some of the facilities provided to staff in taking care of their health. Covid-19 free vaccination drive was arranged in the College for the benefit of staff members.

- **Monitory Measures:**

Salary and other monitory benefits for Aided staff are based on Government / UGC regulations. In case of management employees' salary has been periodically revised. In addition to the Annual increments' incentive increments are being provided for the teaching staff qualifying in NET / SLET and to those awarded with Ph.D. degree. Facility of Employee Provident Fund (EPF) and ESI is extended to the Management staff. Financial contribution in the form of donation is made to help the families of non-teaching staff who are in distress.

- **Measures towards Professional growth:**

The staff members are motivated to get enrolled for part-time PhD. Permission is also granted to attend FDP, Orientation programs and Refresher courses. On Duty leave/permission to attend Seminars/ Workshops/ Conferences at the National and International Level and also as Resource Persons are made available to staff members. In order to facilitate reading and use of Digital services like INFLIBNET, DELNET and E-library, faculties are provided with a separate space 'Staff Corner' in the library. A Teaching-Learning Centre is functioning in the College for updating the knowledge and professional competency of the teaching staff.

- **Accommodation facility:**

Staff members can avail the benefits of Staff -Quarters. Lady staff members can make use of provision available in the Ladies Hostel. In case of necessity Guest rooms are available for a short period.

- **Leave facility:**

Almost all the leave facilities which are available for the aided staff are also extended to management staff members which includes 15 Casual Leaves, 2 Restricted Holidays, O.O.D and Special casual leave. Lady staff members can avail 180 days of paid maternity leave. Apart from these leaves, management staff members who are attending professional development courses are eligible to apply for leave. Staff members are encouraged to attend various types of qualification enhancement examination.

- **Campus facility:**

Inside the campus Staff members can make use of the common facilities like Library, Co-operative store, a place where faculties can read newspapers / sit together and exchange their views. Annual family get together and picnic is organised by the Staff-Club.

- **Performance appraisal**

The Faculty Appraisal System of the College is in operation for many years. The teachers are periodically evaluated by the students, H.O.D and the Principal. The Principal and H.O.D will have discussion with the Canteen, Staff club

concerned faculty and suggest corrective measures as and when needed. The non-teaching staff are also periodically evaluated by the Principal .

6.4 Financial Management and Resource Mobilization

6.4.1 Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)

Response:

The finance committee with the Principal as chairman meets periodically to review the expenditure of the previous year and also to plan and scrutinize the proposed budget for the forth coming year. This budget proposal is presented at the governing body for approval.

Internal and external financial audits are conducted regularly. The College engages qualified chartered accountant for the internal audit.

• INTERNAL AUDIT

Internal audit of college income and expenditure is conducted by Chartered Accountant every year by a team of members from the Pai and Nayak Chartered Accountants for government and management funds received. Last audit was done on 23-09-2021 and there were no audit objections.

• EXTERNAL AUDIT

Government level audit is done periodically by the Regional Joint Director of Collegiate Education, Mangalore, and Office of AG. The finance section guided by the principal is responsible for managing the funds received through endowments, sponsorship and contribution from benefactors and through funded projects etc. On completion of the project, utilization certificate and audited statement of accounts are forwarded to the funding agency. The financial transactions for expenditure are made through cheques/NEFT and funds are received through cheques, DD and NEFT. This procedure for financial transaction is more effective and ensures greater transparency with the proof of transaction details.

• Mobilization of Funds

Students' fees constitute the major source for mobilizing the funds. Before the commencement of every academic year, the budgetary allocation for various heads of expenditure is ascertained. The proposed budget is then placed before the Governing Council by the Principal for approval.

- **Strategies for mobilization of funds:**

Besides students' fees, minor income is derived through infrastructural rentals for Banking sector. The infrastructure like classrooms, Seminar hall and computer laboratories are also sought for Central Valuation of the University.

The centrally convenient location of the institute has drawn several agencies to seek the infrastructure for conduct of various competitive, professional and entrance examinations.

Financial needs are also met through the grants received from the UGC towards salary of the aided staff, Minor Research Projects, sponsored Seminars and conferences and assistance from the affiliated University for specific programmes.

The strong alumni base of the Institution, well-wishers, benefactors, individual philanthropists generously contribute towards the noble cause of education in the form of donations, endowments, scholarships, sponsorships which also adds to our required funds to a great extent. The mid-day meal scheme of the College is fully funded by the faculty, Alumni and PTA.

- **Optimal utilization of resources:**

In pursuit of institute's mission of providing quality education at affordable cost, the income generated is optimally utilized to give back to students in the following ways:

Sufficient funds are utilized for augmenting, upgrading and maintaining the physical, supportive and learning facilities and administrative needs of the institution.

Scholarships and endowment prizes are funded by the Management every year.

Giving back to the society through Institutional Social Responsibility by undertaking the extension activities and outreach programmes. Our institution is also a campus drive pool where college students are benefitted.

6.5 Internal Quality Assurance System

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

Response:

IQAC meets regularly to achieve its outcomes and collects feedbacks and analyses them at regular

intervals. It plays an important role in ensuring quality of the functioning of administrative and academic units of the College. In order to make the students aware of the current and futuristic challenges and opportunities, the teaching faculty is encouraged to upgrade themselves. They are motivated by creating awareness on the importance of quality in all the initiatives so as to propagate a quality culture.

IQAC has established a Research Cell in the College. It is run by a committee, comprising the Principal of the College and research cell members from various departments. It helps the interested teachers in writing research project proposals and publishing the research works by conducting Research Methodology webinars. It provides the latest information about the quality journals of Scopus and UGC Care list and encouraging them to publish. Further it initiates interdisciplinary research projects undertaken by students and mentored by teachers. Establishing collaborations with other institutions of eminence with the objective of encouraging student and faculty exchange programmes. Conducting Faculty Development Programmes to bring the knowledge of the teachers at par with the latest developments in their respective disciplines.

IQAC organizes ICT workshops to enable teachers to intersperse technology in curriculum to make the art of classroom pedagogy more relevant and interesting for students.

IQAC takes care of the needs of the administrative staff to improve their work atmosphere, both at the professional and emotional fronts.

The IQAC proposes a number of best practices in various aspects of functioning of the administrative branch. Administrative Audit is conducted from time to time. IQAC believes in establishing a democratic pattern of administration. The Management along with the Principal ensures that equal opportunities are given to staff members who are best suited for a particular department and also, they are provided with opportunities to hone their skills.

Improving Teachers' Quality:

- i. In order to improve teachers' quality, the IQAC has been motivating the teachers to attend NET/SLET workshops.
- ii. The recruitment of fully qualified teaching faculty has been adopted.
- iii. Workshops are conducted by IQAC and other departments encouraging the faculty to use ICT and e-resources.
- iv. Teachers are encouraged to attend Orientation, Refresher and Short-term courses. A large number of Teachers are enrolled for Online learning platforms like SWAYAM and MOOCS.
- v. Teachers are encouraged to participate in Syllabus Revision Workshops.
- vi. Feedback Mechanism is prepared for conducting student feedback on teaching learning.

The IQAC strives to develop an environment conducive to teaching, learning and research.

Various conferences have been organized both at national and international levels on varied and relevant topics.

Criterion 7 - Institutional Values and Best Practices

7.1 Institutional Values and Social Responsibilities

7.1.1 Measures initiated by the Institution for the promotion of gender equity and Institutional initiatives to celebrate / organize national and international commemorative days, events and festivals during the last five years

Response:

Gender equity focuses on fairness and justice for women and men. Since its inception in 1949 the institution was committed to provide equal opportunities. Institution faced hurdles from the authorities to admit lady students and had to resolve it through legal intervention.

The College believes in providing a safe, constructive, conducive learning environment to all irrespective of caste, creed and gender. Being a co-education institution, proactive measures have been implemented to ensure gender equity and sensitivity in the campus. In addition, Gender Equity is also taught as a compulsory foundation course for all the students as a part of their curriculum.

Various initiatives are undertaken to sensitize students in tune with the vision and mission of the institution.

Following are the facilities and arrangements in the campus to support the gender equity initiatives:

- There is an equal opportunity during the admission process and all the activities in the College.
- Institution has a well facilitated Ladies Hostel.
- The College campus, under CCTV surveillance, ensures safety of students and staff.
- Two Ladies restrooms are available with basic amenities and first-aid facilities.
- Campus maintains suggestion boxes to get feedback from the students to make the campus more congenial.
- Women's Welfare Cell, Women's Grievance Redressal Cell and Women's Harassment Redressal Cell have been established to monitor and deal with related issues and concerns.
- Separate sections for women in the Gym, Indoor Sports Complex, Library and Canteen area are made available.
- A certified lady counsellor and teachers provide counseling to the needy students on career guidance, stress control, emotional and physical wellbeing.
- During field visits, study tours and camps, the girl students are accompanied by lady staff.
- An effective mentoring system provides support to students.

celebration of national and international commemorative days:

The National and International commemorative days are celebrated in college to impart values, to motivate and to ignite the sense of integrity, commitment, dedication and patriotism. With great fervor the national festivals, birth anniversaries and memorials of great Indian personalities are also celebrated.

The College celebrates following National and International Days such as:

- Swami Vivekananda Jayanti & National Youth Day

- Parakram Diwas
- National Voters' Day
- Republic Day
- Martyrs' Day
- National Science Day
- International Women's Day
- Youth Red Cross Day
- Environment Day
- International Yoga Day
- International Day Against Drug Abuse & Illicit Trafficking
- World Population Day
- Kargil Vijay Diwas
- Librarians' Day
- Geneva Convention Day
- Independence Day
- Sadbhavana Day
- Teachers Day
- NSS Day
- Surgical Strike Day
- Gandhi Jayanti & International Day of Nonviolence
- National Unity Day
- Constitution Day

Independence Day and Republic Day are the major National festivals celebrated every year, with grandeur, enthusiasm, and patriotic fervor. Flag hoisting, parade by NCC, NSS, Youth Red Cross, Rangers and Rovers is carried out.

Gandhi Jayanti is celebrated in a special way as the institution is named after Mahatma Gandhi by organizing a talk on Gandhian philosophy and Ramdhun.

7.1.4 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic diversity and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)

Response:

Institutional efforts/initiatives in providing an inclusive environment:

The college tries to provide an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socio-economic and other diversities. Some of the activities towards this end are as follows:

- The Code of Conduct is uploaded on the institutional website. All students as well as other stakeholders irrespective of their diversities need to follow it.
- An orientation program is organized at the beginning of the academic year to incorporate the feeling of unity and integrity among the new entrants and the rest of the students.
- Teachers sensitize students towards tolerance, harmony and inclusiveness.
- Cultural activities are organized in the institution to promote tolerance and harmony towards each other.

Socio-Economic:

Socio- Economic activities promote the interaction between the social and economic elements. Activities like special talk on GST, World Population Day, Investors Awareness, etc are organized. NCC Camps, NSS Camps, Rovers and Rangers Camps are held in the remote villages where the socio-economic conditions of the villagers are also studied and services are provided.

Communal Harmony:

Communal harmony is the coming together of all the communities and living together with the sense of brotherhood and equality, irrespective of caste, creed, religion and other diversities.

The Gandhian Study Centre of our college organizes Gandhi Jayanti every year to recall the important contributions to India's liberation struggle and Independence movement. Vivekananda Chintana Vedike provides a platform for conducting special talks on Swami Vivekananda's teachings and for organizing workshops on moral and ethical values.

Linguistic :

Linguistics studies language in all its forms. Departments like English, Kannada, Hindi and Sanskrit organize activities to promote linguistic skills among students and enhance their interest. All the linguistic departments of the college arrange a number of programs like Workshops, Seminars, and Fests etc. to enhance the caliber of the students.

Cultural:

Cultural activities help to educate students about cultural diversity and make them cherish the principle 'Unity in Diversity'. Cultural exposure includes :

- **Yakshagana:** Yakshagana is a unique traditional folk art popular in coastal Karnataka. Various epic themes are performed by the students during annual day celebrations.
- **'Tulu Aisiri'** is annually celebrated to depict local traditions and culture.
- **'Aatidonji Dina'** was organized to provide awareness on traditional food and regional culture.
- **Drama :** Interested students are trained by the Drama Club. College drama troupe has won state and national awards.
- **'Spectrum'** and **'Pradeeptha'** are the fests celebrated every year which promotes overall personality development among the students.

Sensitization of students and employees to the constitutional obligations, values, rights, duties and responsibilities of citizens:

The various programs are annually celebrated in our college to ignite the spirit of human values, ethics and to inculcate in them the rights, duties and responsibilities of the citizens which in future will enable them to strive hard towards the progress of the society and the nation.

Vivekananda Jayanti, Sadbhavana Diwas, Gandhi Jayanti, Human Rights Day, Constitution Day are annually celebrated.

7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Response:**BEST PRACTICE 1:****Title of the Practice: Blood Donation**

The College organizes the Blood Donation Camp annually for welfare of the society and to motivate the students to be more responsive to the needy. The benefits of donating blood include helping people injured in accidents, undergoing cancer treatment, and battling blood diseases, among other motives.

Institution also encourages students to donate blood in case of emergency requirements of blood and blood products.

Objectives of the Practice

Despite the advancement in the healthcare sector, there is no technology to replicate and produce blood. It is important to raise greater awareness about the significance of the life-saving gift of blood donation among youth, especially students.

The Context

Blood donation is one of the important contributions that a person can make towards society. An adult person can donate blood if he or she is in good health. The body of the donor can regenerate the blood in about 4 to 6 weeks.

However, people hesitate to donate blood due to myths such as :

- Blood donation is painful.
- Risk of HIV and other infections.
- Donating blood can weaken the immune system.

To overcome these stigmas, teachers educate the students on the significance of blood donation. A rally was also organized to inculcate awareness among the general public about blood donation.

The Practice

Blood is the gift of life. There is a wide gap between demand and access to safe blood. The objectives of organizing the blood donation camp are :

- **Spreading message of humanity**
- **Ensuring Supply of Blood in blood banks**
- **Providing support to Critical Patients**
- **Removal of myths**

Blood Donation is organized by the Youth Red Cross of the college in association with Student Welfare Council, NSS, NCC and Rangers & Rovers. Kasturba Medical College Hospital, Manipal is the prominent hospital in the vicinity. The institution collaborates with the Blood Bank Unit of KMC, Manipal for this noble cause.

Evidence of success

The awareness of the need for blood donation is spread among youth and there is an increasing trend compared to previous years. Total 524 units of blood is collected in five camps between 2017-22.

Problems Encountered and Resources Required:

People hesitate to donate blood due to the fear of pain and risk of infections. Awareness had to be created among the youth to eradicate the myths. Some students may not know their blood groups.

The need for blood may arise any time, in case of emergencies. Conducting a camp once a year may not be sufficient.

To encourage blood donation, the College organizes blood group detection camps annually. A rally was also organized to inculcate awareness among the general public about blood donation.

The College NSS unit has established an emergency blood donation group titled “GIFT OF LIFE”. Through this wing the student and staff volunteers are communicated about the requirement and encouraged to donate blood whenever a request comes from hospitals or social service organizations. So far 23 such needs have been fulfilled.

BEST PRACTICE 2

Title of the practice: Placement Support

The college has a vibrant placement cell supervised by a placement coordinator and assisted by a committee of students. The cell regularly conducts campus recruitment drives and organizes placement counseling, orientation programmes, pre-placement training. Placement Cell also conducts pooled campus placements for the students of neighboring colleges.

Objectives of the Practice:

- Create awareness among students regarding available career options and help them to identify their career objectives.

- Guide the students in developing skills required to achieve their career objectives.
- Finding, informing and managing Pool Placement drives.
- To build the bridge between industry and academia.

The Context :

The industry is always on the lookout for students with a good academic background, who are vibrant, energetic, quick learners with good communication skills. Placement cell focuses on personality development to make the students reliable, with a positive attitude and right decision making ability. Thus, the Placement Cell provides a vital platform to meet the different needs of students for employability.

The Practice :

The Placement cell organizes soft skill training programmes which include development of communication abilities, language skills, personality development, cognitive or emotional empathy, time management, teamwork and leadership traits, and other soft skill trainers.

It also helps students to plan their career by providing information and guiding them about the companies which approached the College for recruitment.

Program Outcome:

Major population of our students is from rural background. Their soft skills and aptitude / reasoning skills needed to be refined. The institution conducts job orientation programs, soft skill training, mock tests continually.

The institution also has two MOUs with external agencies to enhance placement support.

Evidence of Success :

The gradual increase in the placement record and the number of companies visiting the campus for recruitment purposes is an effective testimony to the efforts put in by the college authorities to attain the objectives stated above.

The consolidated list Undergraduate students of year wise is placed on record:

Placements details :

2017-2018	2018-2019	2019-2020	2020-2021	2021-2022
127	128	143	61	144

The consolidated list Post graduate students of year wise is placed on record:

2017-2018	2018-2019	2019-2020	2020-2021	2021-2022
10	14	06	14	06

Our major recruiters include Infosys Technologies, Wipro, Tech Mahindra, Delloitte, Schneider Electric, MindTree.

Problems Encountered and Resources Required:

Most of our students are Kannada medium students from rural background. The aptitude and reasoning tests were not easy for them to comprehend.

Students also faced difficulty when recruiters switched to online aptitude tests during the pandemic due to unstable internet connections in remote areas.

To overcome the problems College has conducted aptitude / reasoning training programs and mock tests.

Students were allowed to use College computer labs for practice and placement aptitude tests.

Regular alumni interaction programs are conducted.

In a nutshell, the institution has left no stone unturned in realizing the dream of its visionary founder late Dr. T.M.A. Pai, the architect of modern Manipal - to better the life of people by bringing opportunities to their doors.

7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Response:

Mahatma Gandhi Memorial College, one of the oldest and largest colleges in the vicinity, with an illustrious history of 73 years, was founded by an eminent educationist and visionary Dr Tonse Madhava Ananth Pai with an aspiration to provide quality education to the poor, needy students and empower them.

The logo of the college bears words “**Sathwath Sanjayathe Jnanam**” meaning “From virtue springs knowledge”.

To promote national integration.

Accordingly, The mission of the college is to strive :

.

- To provide students with quality education
- To develop in them competence for employment and entrepreneurship, to promote their power of thinking and creative ability
- To organize activities that will contribute to the understanding of their responsibilities to the family, the society and the nation
- To promote national integration.

Excellent education molds an individual holistically in all the intellectual, spiritual and social aspects. The current necessity of students is not just curriculum, but also culture and value based education. Therefore, to accomplish its vision and mission, “Nurturing Holistic Development” to bring out culturally vibrant, educationally competent, empowered, humane and socially responsible citizens is the distinct motto that the institution relentlessly strives to achieve.

Culturally Vibrant

The institution has proved to be a renowned name not just for its academic excellence but also for its rich cultural vibrancy. It is aptly called the cultural hub of Udupi. The Institute’s ideals truly reveal its

persistent striving to prepare its students for not just examinations, but for the journey of a virtuous life. The efforts made to inculcate cultural interests in students are :

- **Talent search:** College organizes talent search to identify the students prudently. Chosen students are encouraged and trained to participate in college activities and intercollegiate fests. Prathibha Vedike is the forum of the College that provides a platform to the students to showcase their talents in music or any other art form.
- **Spectrum :** Fests play a significant role in shaping the personality of a student and prepare the students to face the competitive world. Spectrum is an inter-stream competition conducted by the Student Welfare Council that has become a podium for the young generation to showcase their cultural and managerial skills.
- **Pradeeptha :** Pradeeptha is a Techno cultural fest organized for Post graduate students of M.Sc Computer Science.
- **Tulu Aisiri :** Tulu is one of the important languages belonging to the Dravidian family of languages and spoken by about 1.5 million people in the Dakshina Kannada and Udupi districts. ‘Tulu Aisiri’ is annually celebrated to depict local traditions and culture.
- **Yakshagana and Drama :** Yakshagana is a unique traditional folk dance form popular in coastal Karnataka. Training is imparted to students on different epic forms that are performed during annual day celebrations. A drama club provides training and opportunities to students to exhibit their talents. Theater workshops and street play competitions are conducted.

Literary activities :

- College annual magazine “Sanmathi”, Wall magazines, departmental bulletins provide a forum for showcasing articles, art and literary works of students.
- Kannada department organizes “Muddana Sahityotsava” and other programs through which interactions are arranged with noted Kannada poets/writers, Dr. H S Venkatesh Moorthy, Jogi, Jayanth Kaikini to name a few .
- The Department of English regularly organizes talks/programs like “Creative Reading”, “Look Beyond the context” to name a few. It also fully utilizes a lab for enhancing linguistic skills.

Educationally competent and empowered

The College possesses excellent infrastructure amidst a green lush campus and has highly motivated faculty. An active placement cell provides excellent placement support to the students. Soft skills and placement training programs are organized. Programs on career guidance such as IAS and KAS exam preparation, orientation on Company Secretary course are conducted. Noted alumni of the college are invited to motivate and guide the students.

The Commerce department conducts a Vocational Conference annually to enhance the personality development of students. It organizes useful sessions on relevant topics like Budget Session, GST, digital Banking. Industrial visits help the student to understand the industry requirements.

Humane and socially responsible

To inculcate social responsibility, awareness programs on diverse issues like anti ragging, drug abuse and

eradication of drug menace, road safety, health, forest and wildlife conservation, self defense, conservation of endangered species, rain water harvesting, and clean campus conducted. Plastic awareness rallies and beach and campus cleaning drives are organized. Vanamahotsav , Seed ball making, “Plant a week” program, campus birding sessions motivate students to strive for a green environment. Yoga training is imparted for better health benefits.

Blood donation drives, providing pooled financial assistance to patients and flood victims inculcate social responsibility among individuals.

NCC, NSS, Youth Red Cross, Rangers and Rovers and other clubs conduct interesting value-added programs for the benefit of their members.

College has invited eminent personalities such as Padmashree awardees Harekala Hajabba and Salumarada Thimakka, Lokayukta Santhosh Hegde, Nagaland Governor Shri P B Acharya for student interaction to inspire to take their lives as role model.

During the pandemic too, the various departments and clubs had switched to the online mode and continued activities like essay writing, quizzes, aptitude test, talks.

Every year the students of the institution have been faring well in university examinations and accomplish ranks. Their achievement in sports and cultural events is noteworthy. They have secured prizes in many intercollegiate fests and athletic meets. The college drama troupe has won national and state level awards. Companies visiting the campus for placements and number of students placed are on the rise.

The students have sprung into action whenever a need from society arises, be it financial aid for the needy or voluntary blood donation or door to door clean environment awareness campaign.

The MGM today firmly stands on the founding principles of progressive leadership laid down by its legendary founder. His ambition was to provide quality education and opportunities to girls and the economically weaker sections. The institution provides inclusive education to all at affordable fees and caters to the students of Udupi and neighboring districts.

5. CONCLUSION

Additional Information :

The College aims at the enrichment of the students in order to achieve the excellent outcomes and good progression of the students towards life/real-time situations. Over the years the College has equipped and empowered the students to face the larger world. The strong Alumni base and the societal perception on the College are the testimonies for this. The College has emerged as a cultural hub and has supported the conservation, promotion, and dissemination of culture, folklore, languages (Tulu and Kannada in particular), arts, performing arts (Yakshagana and Theater in particular), spiritualism (Dasa Sahitya), historical heritage etc. Therefore, it has contributed to national integration and cultural cooperation by providing prestigious stage, forum, scope and opportunities to many cultural organizations. The departments, units, clubs, cells, forums, Gandhian Study Centre and other bodies of the College are contributing in their own way through their academic, curricular/co-curricular/ extracurricular activities. These initiatives are effectively reflecting the trajectory of the College towards academic and cultural excellence.

The College has successfully organized innovative programmes like Conclave on the 'Implementation of New Education Policy – A Vision Building', Value Education Camp, MGM Book Festival, Krishi Sammilana, Azadi ka Amrit Mahotsav, and resourceful workshops/seminars/webinars.

The College is gifted with a serene campus with lush greenery adding to the happiness of the students in a learner friendly and motivating environment. The students have excelled in their performance to bring laurels to the College. The robust infrastructure and support facilities provide a strong base for our pursuits. Sufficient resources are allocated for the regular maintenance of the Campus and periodic renovation/replenishment of the infrastructure. The College promotes the optimum use of the same.

The College is planning to impart quality and affordable 'Skill Development Programmes' that focuses on multi-skill competence and employability.

NEP has provided new avenues. CA/CS Coaching has been started. Evening College is established for the needy students.

The guidance and the support from the Management motivate our endeavors. The College Trust and the Governing Council headed by Sri T. Satish U Pai, liberally sanctions worthwhile projects to the College, intended to improve the amenities of the College.

Concluding Remarks :

The College has made constant efforts to integrate its goals and objectives in the imparting of value education through its curricular, co-curricular, extracurricular and student enrichment activities. It has channelized more resources towards quality enhancement and improvement of infrastructure. The holistic development of the students is the main priority of the College as stated in its Mission statement. The college provides quality education to all students irrespective of their religion, caste, creed, language, cultural, and socioeconomic status. All students are given the opportunity to learn and showcase their talents. It has also incorporated the NEP-2020 with emphasis to innovation and cultural heritage.

The College has been steadily progressing towards its goals and has been contributing for the creation and transfer of knowledge in its own way. As the first College of the District, the College has produced many illustrious alumni who are the eminent institution builders, able administrators, academicians, famous artists, eminent jurists, politicians, sports achievers, noted entrepreneurs etc. and more importantly good citizens who are productive human resource. Some of our alumni are doyens in their field of eminence.

The Mahatma Gandhi Memorial College was the outcome of a fervent faith enshrining great ideals and inspiring values. As a result, it has earned goodwill and maintained a good track record in the field of education. During the 73 years of its existence the College has always emphasized on innovation, high standards of quality education, sense of discipline and building of good character. The College thrives by its commitment of imparting affordable, inclusive, and quality education in accordance with its Motto, Vision, Mission and Objectives. The College has a special place as the finest College of reputation in the hearts, minds and perception of the public. All these have been possible only because of the benevolent Management, dedicated teachers, supporting staff, students, alumni, PTA and cooperative stakeholders. Now our priority is to see that the College retains the reputation and maintains the standard in its journey towards greater heights of excellence. It is our responsibility to show an incremental growth and work to offer the best for all times.

3.3.1	Number of research papers published per teacher in the Journals notified on UGC care list during the last five years 3.3.1.1. Number of research papers in the Journals notified on UGC CARE list year wise during the last five years Answer before DVV Verification:																				

2021-22	2020-21	2019-20	2018-19	2017-18
2	3	6	6	8

Answer After DVV Verification :

2021-22	2020-21	2019-20	2018-19	2017-18
2	4	5	6	8

Remark : input is edited from supporting documents.

3.4.3 Number of extension and outreach programs conducted by the institution through NSS/NCC/Red cross/YRC etc., (including the programmes such as Swachh Bharat, AIDS awareness, Gender issues etc. and/or those organised in collaboration with industry, community and NGOs) during the last five years

3.4.3.1. Number of extension and outreach Programs conducted in collaboration with industry, community, and Non- Government Organizations through NSS/ NCC/ Red Cross/ YRC etc., year wise during the last five years

Answer before DVV Verification:

2021-22	2020-21	2019-20	2018-19	2017-18
28	21	30	25	25

Answer After DVV Verification :

2021-22	2020-21	2019-20	2018-19	2017-18
9	13	9	15	14

Remark : only NNS and NCC programs are considered here.

3.5.1 Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years.

Answer before DVV Verification :

Answer After DVV Verification :434

Remark : Input is edited by the data templates.

4.1.2 Percentage of expenditure, excluding salary for infrastructure augmentation during last five years (INR in Lakhs)

4.1.2.1. Expenditure for infrastructure augmentation, excluding salary during the last five years (INR in lakhs)

Answer before DVV Verification:

2021-22	2020-21	2019-20	2018-19	2017-18

58.96	94.85	314.08	59.15	55.78
-------	-------	--------	-------	-------

Answer After DVV Verification :

2021-22	2020-21	2019-20	2018-19	2017-18
58.96	94.85	314	59.	55

Remark : input is edited by the supporting documents.

4.3.2 Student – Computer ratio (Data for the latest completed academic year)

4.3.2.1. Number of computers available for students usage during the latest completed academic year:

Answer before DVV Verification : 355

Answer after DVV Verification: 305

Remark : Input is edited from documents and excluding others computers which are 50.

5.1.1 Percentage of students benefited by scholarships and freeships provided by the Government and Non-Government agencies during last five years

5.1.1.1. Number of students benefited by scholarships and freeships provided by the Government and Non-Government agencies year wise during last five years

Answer before DVV Verification:

2021-22	2020-21	2019-20	2018-19	2017-18
830	290	860	1082	1213

Answer After DVV Verification :

2021-22	2020-21	2019-20	2018-19	2017-18
780	290	860	1052	1183

Remark : input is edited by excluding talk on Anchor.

5.3.2 Average number of sports and cultural programs in which students of the Institution participated during last five years (organised by the institution/other institutions)

5.3.2.1. Number of sports and cultural programs in which students of the Institution participated year wise during last five years

Answer before DVV Verification:

2021-22	2020-21	2019-20	2018-19	2017-18
58	19	60	60	73

Answer After DVV Verification :

2021-22	2020-21	2019-20	2018-19	2017-18
58	19	60	61	74

Remark : Input is edited by the data template.

6.3.3 Percentage of teaching and non-teaching staff participating in Faculty development Programmes (FDP), professional development /administrative training programs during the last five years

6.3.3.1. Total number of teaching and non-teaching staff participating in Faculty development Programmes (FDP), professional development /administrative training programs during the last five years

Answer before DVV Verification:

2021-22	2020-21	2019-20	2018-19	2017-18
76	73	74	72	74

Answer After DVV Verification :

2021-22	2020-21	2019-20	2018-19	2017-18
69	66	67	65	67

6.3.3.2. Number of non-teaching staff year wise during the last five years

Answer before DVV Verification:

2021-22	2020-21	2019-20	2018-19	2017-18
33	35	36	36	35

Answer After DVV Verification :

2021-22	2020-21	2019-20	2018-19	2017-18
7	7	7	7	7

Remark : The teachers participated in the FDP program should not be more than full time teacher.

6.5.2 Quality assurance initiatives of the institution include:

- 1. Regular meeting of Internal Quality Assurance Cell (IQAC); Feedback collected, analysed and used for improvements**
- 2. Collaborative quality initiatives with other institution(s)/ membership of international networks**
- 3. Participation in NIRF**
- 4. any other quality audit/accreditation recognized by state, national or international agencies such as NAAC, NBA, ISO Certification etc**

Answer before DVV Verification : A. All of the above

Answer After DVV Verification: B. Any 3 of the above
Remark : Input is edited from supporting documents.

2.Extended Profile Deviations

ID	Extended Questions
