Place	LAB1
Resource Person	Mr Ganesh, lecturer, MGM College-Udupi 9743288263
Participants	50

BRIEF REPORT ::

A certificate course on Web Application Development using PHP dated from: 02-08-2023 To 07-08-2023. Under the guidance of our in-staff Mr. Ganesh, lecturer, MGM College-Udupi. 50 students participated in this certified course. The students participated actively and have done various project as well.

Name /title of the programme	Bridge Course for I year BCA students
The programme organized by Dept/club)	Computer Science Department
Day & Date	24-08-23
Place	LAB1, LAB2,LAB3,LAB4
Resource Persons	Computer Science Department Staff
Participants	235

BRIEF REPORT : The Bridge Course for 1st Year BCA Students was designed to prepare incoming students with foundational knowledge and skills necessary for their academic journey in Bachelor of Computer Applications (BCA). The course aimed to bridge the gap between high school and university-level education,. Around 235 students participated

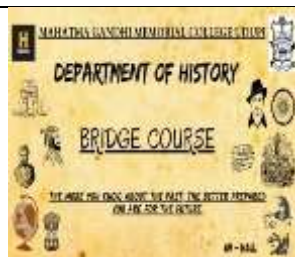

Name/Title of the Program	Bridge Course for I B.Sc Students
Program organized by department / Club	Chemistry Department
Date	24-08-2023
Resource Person	Prof. Arun Kumar B, Head of the Department
Participants	19
Place	Room No. 21

BRIEF REPORT : Department of Chemistry conducted a bridge course on 24.08.2023 in the Chemistry Laboratory before the commencement of regular classes of the academic year 2023-24. Prof. Arun Kumar B, Head of the Department addressed the students. The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in B.Sc. degree with new education policy system. Bridge Course will help the students to have a smooth transition to the B.Sc. Chemistry. The Bridge Courses also focus on the pupil with different learning abilities, academic standards and performances. No. of students present 19.

Name /title of the programme	Talk on How to Prepare for Competitive Exams
The programme organized by (Dept/club)	Department of Zoology, Arts club, Science club and IQAC
Day & Date	08/09/2023
Place	A V Hall
Resource Persons	Mr.DarshanGarthikere, Educator, Vivekananda IAS Study Centre, Founder & Chief of IAS Darshana Miss Neha Sanil Director IAS Darshana

BRIEF REPORT : Department of Zoology, Arts club and Science club in association with IQAC organized a talk on “How to prepare for competitive exams” on 8th September 2023.It was an insightful session aimed at guiding students on how to effectively prepare for competitive examinations. The speakers, Mr.DarshanGarthikere and Ms.NehaSanilshared valuable tips and techniques to help students enhance their exam preparation and increase their chances of success. The session was specifically based on the preparation for IAS. The speaker emphasized the importance of thoroughly understanding the exam pattern, including the number of sections, types of questions, marking scheme, and time duration. This understanding forms the basis for devising a strategic study plan. Time management skills are

vital during competitive exams where every second counts. The speaker shared various time management techniques, such as prioritizing questions, allocating specific time slots for each section, and practicing time-based mock tests to improve speed and accuracy. Total **106** students benefitted from the programme. The talk provided students with valuable insights and practical tips to enhance their exam preparation process.

Name /title of the programme	Plantation Drive ‘Gida NaduvaBanni’
The programme organized by (Dept/club)	Department of Zoology, NSS, Eco Club and IQAC
Day & Date	Friday, 08/09/2023
Place	MGM Campus Entrance

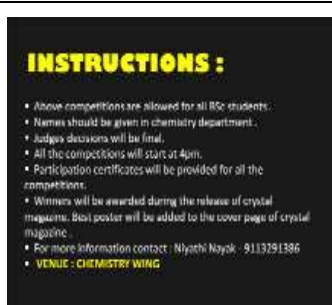

BRIEF REPORT : Department of Zoology, NSS and Eco Club jointly organised a plantation drive in the college campus on 8th September 2023. The plantation drive commenced at 4.00 pm with a brief inaugural ceremony led by the Principal Prof.LaxminarayanaKaranth. Dedicated teams of students, faculty, and staff, planted about 40 plants in the entrance of the college. The participants displayed remarkable enthusiasm and teamwork, contributing to the success of the event. *Cassia fistula* plant species were chosen for plantation, considering their suitability to the local ecosystem and their potential to provide ecological benefits such as improving air quality, soil conservation, and creating habitats for wildlife. The plants were sponsored by **Sri T U SathishPai**, President, MGM College Trust and **SmtSandya S Pai**, Managing Editor, Taranga Weekly, Manipal. Total **39** students participated in the plantation drive.

Name /title of the programme	Student exchange program
The programme organized by Dept/club)	MSNIM Bondel Mangalore and Department of Commerce MGM
Day & Date	7 Oct 2023.

BRIEF REPORT ::

In connection with MOU with MSNIM Bondel Mangalore and Department of Commerce MGM college udupi had a student exchange program on 7 Oct 2023.

The program was titled as Student Entrepreneurship Summit of MSNIM & AIC NITTE jointly organised this one day Summit for students.

Disha, Bhavya Naik and Deeksha of III BCOM represented the summit and were accompanied by MOU coordinator Mrs K Raksha Shenoy and Staff of Department of Commerce Ms Kavya KB.

Name /title of the programme	Jagruti-An Investor Awareness Program
The programme organized by Dept/club)	Dept of commerce in association with MUCTA
Day & Date	09-10-2023
Place	Nutana Ravindra Mantap
Chief guest	Dr. Sandeep S Shenoy

BRIEF REPORT :.

9 Oct 2023 Mahatma Gandhi Memorial College Udupi- Department of Commerce in association with IQAC and collaboration with Mangalore University-Commerce Teachers Association MUCTA organized Jagruti-An Investor Awareness Program to I B.Com, II B.A and II B.Sc students. To reach out the knowledge of investment from all walks of life and create awareness about savings and investments Investor Awareness Programs (IAP) was organized through the Investment partner -Franklin Templeton Asset Management (India) Pvt. Mangalore Zone.

The program was Inaugurated by Dr. Sandeep S Shenoy, Professor and HOD of the Department of Commerce MAHE Manipal, the program was presided by Principal Prof.Lakshminarayana Karanth, the Presence of IQAC Coordinator Mrs Shailaja H, HOD of Chemistry Mr. Arun Kumar B, HOD of Political Science Mr.Vidyanath K and HOD of Commerce Mr.Ramesh Karla was witnessed. The program was Coordinated by Dr.Mallika S from the Department of Commerce.

The program is followed by 3 Sessions:

Session I was resourcefully engaged by Mr. Elston Menezes a Finacial Advisor from Mangalore and the session titled Financial Literacy.

Under this Session I the students were addressed on the knowledge of how to make smart decisions with money. This includes preparing a budget, knowing how much to save, deciding favorable loan terms, understanding impacts on credit, and distinguishing different vehicles used for retirement. This session was moderated by Mrs. K Raksha Shenoy from the Department of Commerce and Mrs Jyotsna, HOD of Economics.

Session II was meticulously handled by Mr. Leo Amal, Sr. Branch manager of Franklin Templeton Asset Management Ltd. Mangalore zone. The session was titled Back to Basics.

Under this Session II the students were addressed about a change in investors' approach towards investing. The lost art of carefully studying a stock before making the purchase, we believe, needs to make a comeback. Understanding the nuances of profit and loss accounts, balance sheets, and cash flow statements has always been pertinent, more now than ever before. This session was moderated by Mrs. Shruthi Nayak HOD of Botany and Mrs. Latha from the Department of History.

Session I was resourcefully engaged by Mr. Elston Menezes a Financial Advisor from Mangalore and the session titled Hands on Personal Investment Planning.

Under Session III the students were addressed about Personal finance, the process of planning and managing personal financial activities such as income generation, spending, saving, investing, and protection. The process of managing one's personal finances can be summarized in and budget or financial plan. This guide will analyze the most common and important aspects of individual financial management. Areas on personal finance were discussed in an extent to the student's audience. This session was moderated by Mr. Vikas Shetty and Mr. Girish Rao from the Department of Commerce.

All the Commerce, History, Political Science, economics, Computer science and Science department staffs witnessed the program.

The overall program witnessed the 75th year Platinum Jubilee celebration of college and students benefited large in number.

Name /title of the programme	Quiz program on current affairs

Name /title of the programme	Seminar on Java and Spring Boot
The programme organized by Dept/club)	Computer Science Department
Day & Date	13 -10- 2023
Place	SH3
Resource Person	Aman Sameer Chikodi, Software Engineering Trainee, Cognizant 9164144047
Participants	60

BRIEF REPORT .: This is to certify that the seminar Report entitled “Java and Spring Boot” has been conducted by Aman Sameer Chikodi dated 13th October 2023 for the academic session 2023-2024. With the strength of around 60 students.

The main initiative of the seminar was to help students gain knowledge regarding the field work and new programming techniques .

Spring Boot helps you to create stand-alone, production-grade Spring-based applications that you can run. We take an opinionated view of the Spring platform and third-party libraries, so that you can get started with minimum fuss. Most Spring Boot applications need very little Spring configuration. You can use Spring Boot to create Java applications that can be started by using java -jar or more traditional war deployments. Our primary goals are: Absolutely no code generation (when not targeting native image) and no requirement for XML configuration. Be opinionated out of the box but get out of the way quickly as requirements start to diverge from the defaults. Our primary goals are:

- Provide a radically faster and widely accessible getting-started experience for all Spring development.
- Provide a range of non-functional features that are common to large classes of projects (such as embedded servers, security, metrics, health checks, and externalized configuration).

Name /title of the programme	Talk on “Statistical success: Uncovering job opportunities for Graduates”
The programme organized by Dept/club)	Statistics
Day & Date	16 – 10 – 2023
Place	A.V.Hall

Title of the programme	Three days' workshop on 'Personality Development'
Programme organized by (Dept/Club)	PG Dept of Comp. Science
Date/Time	11/03/2024 to 13/03/2024
Place	LH3, Geethanjali
No of beneficiaries	51

BRIEF REPORT :We organized a three days' workshop on 'Personality Development' to help our PG students enhance their personal and professional growth. Six different sessions were conducted as part of this workshop.

On the first day, the program began with the inaugural session. Our principal, Prof.LakshminarayanaKaranth inaugurated the workshop with lighting the lamp and conveyed their best wishes to the students. Dr.M.VishwanathPai, Head, Computer Science and Prof.PraveenaKumari.M.K, workshop co-ordinator graced the occasion.

Day1

Session1 (10.00 AM-12.30AM): “DeshaSuttuKoshaOdu”, was conducted by Mr.Muralidhar N, Lecturer in Sanskrith, MGM PU College, Udupi. The audience was captivated by the informational resources and the specifics of the Himalayan locations.

Session2 (1.30PM-4.30PM): “Charge up for Career Excellence” by Prof. (Major) Radhakrishna M, truly energized our students.Through a variety of activities, the resource person energized the participants to learn about the best personality traits.

Day2

Session3 (9.30AM-12.30PM): ‘Yoga for Life’: The Yoga Shikshaks Prof. PraveenaKumari M K and Prof Poornima Shetty conducted session on Yoga. The students were guided on the basic yoga poses, Pranayama and Meditation.

Session4 (1.30PM-4.30PM): “Effective Communication and Critical Thinking” was conducted jointly by Prof. Rekha N Chandra and Prof Jyothsna. During an engaging and participatory training session, team activities demonstrated how to apply critical thinking and successful communication.

Day3

Session5 (9.00AM-11.00AM): “Embracing Change” : The Resource Person Mr. Sachin R Chandra introduced the students about soft skills to adapt to the changing world in terms of technology.

Session6 (11.15AM-1.00PM): “Technical Skills for Today’s Professionals” was conducted by Mrs. RajalaxmiAnandangave thorough details regarding the technical training needed for the various IT area positions.

Valedictory Session (2.00PM-3.00PM) : The three-days’ workshop was concluded with valedictory session. Prof Ramesh Karla, Head, Dept of Commerce and the Student Welfare Officer, Prof Shailaja, Head, Dept of Physics and IQAC Coordinator graced the occasion and congratulated the students on successful participation in all six sessions. The principal, Prof.LakshminarayanKaranth, presided over the session and distributed the participation certificates to the students.

Place	Mahatma Gandhi Memorial College, Udupi
Chief Guest	Shri B P VaradarayaPai Secretary Academy of General Education Manipal

Report:Departments of Zoology and Botany of Mahatma Gandhi Memorial College organized a **two-day National seminar** on the theme “**Biodiversity Conservation: Impact of Anthropogenic activities and Climate change**” on March 15th and 16thin association with the platinum jubilee celebration AmruthaMahothsava. The two-day national seminar served as a platform for interdisciplinary dialogue and knowledge exchange on the critical issues of biodiversity conservation, anthropogenic activities, and climate change.

The inauguration of the National Seminar on Biodiversity Conservation commenced with a solemn prayer by students Pallavi and Nidhi of second year BSc, dedicated to nature, setting the tone for the proceedings that followed. Dr.Maneetha TK, the Head of the Department of Zoology, commenced the ceremony with a warm welcome to all participants, distinguished guests, faculty members, and delegates. She emphasized the significance of the seminar in addressing the pressing issues surrounding biodiversity conservation.

The inauguration of the national seminar commenced with a ceremony deeply rooted in tradition and reverence for nature. CA

B.P. VaradarajPai, Secretary, Academy of General Education, Manipal, graced the occasion by lighting the lamp and performing a symbolic gesture of pouring water to a plant. The lighting of the lamp symbolized the dispelling of darkness and the illumination of knowledge and pouring water symbolized the importance of caring for and protecting biodiversity. Following the lighting of the lamp, the Chief Guest took the stage to share his thoughts on the importance of the program. The keynote speaker Dr.M D SubashChandran, Consulting Scientist of Indian Institute of Science, Bangalore, an eminent expert in biodiversity conservation addressed the gathering with a short note on sustainable utilization. Dr.Devidas S. Naik, the esteemed Guest of Honour, shared his perspectives on the significance of the seminar and its potential impact on biodiversity conservation initiatives. The Principal of the institution Prof.LaxminarayanaKaranth delivered the presidential address, highlighting the institution's commitment to environmental stewardship and academic excellence. His address underscored the institution's role in fostering research, innovation, and community engagement in biodiversity conservation efforts. The ceremony concluded with Mrs.ShruthiNayak, HOD of Botany expressing gratitude on behalf of the organizing committee. Mrs Yashaswini B, faculty of department of Zoology compared the programme.

Dr. MD SubashChandran, Consulting Scientist of Indian Institute of Science, Bangalore, delivered a captivating keynote address following the inauguration session. In two days total 7 invited talks were there which all were addressing the burning issues of biodiversity conservation. 14 participants from in and out state presented their research paper on the theme. Judges evaluated the papers and two best papers were awarded,

Dr.Sreepada K S, senior professor of Department of Applied Zoology, Mangalore university did the Valedictory speech. He mentioned about the need of biodiversity conservation and the lack

Total **224** delegates including a diverse group of researchers and students from 11 institutions attended the seminar.

Two-day conference on biodiversity starts today in Udupi

Times News Network

Udupi: The Malabar Gandhi Memorial College will celebrate 'Biodiversity Conservation: Impact of anthropogenic activities and climate change on Ecosystem and Biodiversity' seminar today. The department of zoology and botany will jointly organize a national level seminar on the theme 'Biodiversity conservation: Impact of anthropogenic activities and climate change on Ecosystem and Biodiversity'.

The main objective of this seminar is to raise awareness among students and public, to facilitate knowledge exchange and collaboration among experts, researchers, policymakers, and stakeholders, to develop effective conservation strategies, to generate sustainable policy recommendations to address the root causes of biodiversity loss and promote sustainable development practices.

Resource persons from various parts of the state will share their knowledge on the topic. Students and teachers from across India will participate and present their research ideas. Prof. M. S. Ramesh, Head of Zoology and Botany, will inaugurate the seminar. The facility will be available from 10 AM.

Day & Date	Wednesday, 20/03/2024
Place	Mahatma Gandhi Memorial College, Udupi
Chief Guest	Prof.LaxminarayanaKaranth Principal, MGM College, Udupi
Report: The Department of Zoology and Eco Club of Mahatma Gandhi Memorial College, Udupi organized Water Pot Installation Ceremony in connection with World Sparrow Day on 20th March 2024 . The event which is conducting from the last three years aimed to address the critical issue of dwindling sparrow populations due to habitat loss, lack of nesting sites and lack of access to water due to climatic change, while also raising awareness about the importance	

of conservation efforts.

The primary objective of the ceremony was to install water pots strategically across the campus to provide a source of water for sparrows and other small birds, especially during the scorching summer months. Additionally, the event sought to educate the students about the significance of World Sparrow Day and the role each individual can play in preserving biodiversity.

The ceremony commenced with an introductory talk by Dr. Maneetha T K, HOD of Zoology and Convenor of Eco club. The water pots in the campus is a vital resource not only for birds but also for other wildlife including monkeys- said Dr. Maneetha. The introductory talk is followed by formal inauguration by the Principal Prof Laxminarayana Karanth. This initiative holds significant importance not only for our campus community but also for the broader cause of environmental conservation – said Principal Prof. Laxminarayana Karanth emphasizing the importance of conserving birds and creating a bird-friendly environment. Mrs. Shruthi Nayak, Eco club Convenor and HOD of Botany department concluded the session. Faculties of Zoology department Mrs. Yashaswini B, Dr. Ishwar Bhat P and Faculties of Botany Department Mrs. Ramya K and Mr. Yogesh Kumar were present.

Students of Department of Zoology and Eco Club actively participated in installing water pots at designated locations across the campus. Eco club student convenors Dhruva, Shreya Shetty, Sanjana, Vasudha and non-teaching staff of Zoology Mr. Jayanth, did all the assistance to the programme.

Total **66** students participated in this programme.

Water pots for birds installed

Udipi: The department of zoology and Eco Club of Mahatma Gandhi Memorial College, marked World Sparrow Day with a water pot installation ceremony on Wednesday. This event, now in its third year, focuses on the declining sparrow populations, highlighting the need for water access, nesting sites, and the impact of habitat loss and climate change. The ceremony's goal was to provide water for sparrows and other small birds by placing water pots around the campus, particularly to help them during the hot summer.

Manetha TK, HOD of zoology and Eco Club convenor, began the event with a talk on the importance of such initiatives. She noted that the water pots serve as crucial resources for various wildlife, including birds and monkeys. Principal Prof. Lakshminarayana Karanth

formally inaugurated the ceremony, stressing the significance of bird conservation and fostering a bird-friendly environment.

The session concluded with remarks from Shresha Nayak, Eco Club convenor and HOD of the botany department. Students from the department of zoology and Eco Club were actively involved in the installation of the water pots at strategic locations throughout the campus.

Name / title of the programme	One day National Seminar on Frontiers in Astronomy
Programme organized by (Dept/Club)	Physics Department
Date	Thursday, 21-03 - 2024
Place	Nutana Ravindra Mantapa, MGM College, Udupi

BRIEF REPORT: One day National Seminar on ‘Frontiers in Astronomy’

conducted on 21st March, 2024 at Nutana Ravindra Mantapa.
Inauguration

session was compered by Dr. Akshtaha Wagh. Assistant Professor
Department of Physics

Welcome Address was delivered by Prof Laxminarayana Karanth, Principal,MGMC Udupi. The session inaugurated by lighting a lamp.

Introduction of the Chief Guest was given by Mrs. Sowmyalatha, Lecturer, Department of Physics. Key note address was delivered by Prof. Dr. Venkataram Pai B.H.. Department of Civil Engineering, which was both educational, providing new knowledge about astronomy, and motivating, igniting a passion for the subject in the audience

Prof. Dr. Jagannath, President, Association of Physics Teachers of Mangalore University, Dr. Devidas S. Naik, Principal MGM Evening College also gave their remarks. Presidential Remarks was given by Sri. CA B.P. Varadaraya Pai, Secretary AGE, Manipal. Vote of thanks was given by Mrs. Shailaja H., Convenor, NSFA-24.

The first session was delivered by Dr. Bannnanje Shripathi Acharya Former Professor, Dept. of High Energy Physics, T.I.F.R, Mumbai

on Gamma Astronomy – “Universe viewed in Gamma Rays” In his talk Dr. Acharya explained about Gamma-ray astronomy which is a specialized field that studies the cosmos through the lens of gamma rays, the most energetic form of light. Unlike visible light that our eyes detect, gamma rays are invisible and require special telescopes. He also explained the importance and challenges of this field.

The second session was delivered by Mr. Sreenatha Rathnakumar, Scientist, ISRO, Bengaluru. In his talk he briefly touched upon the history of space travel, from early dreams to the first steps on the Moon and discussed the challenges and adaptations astronauts face like microgravity and its effects on the human body, Living in a confined space, The psychological impact of long-duration missions.

The third session was delivered by Dr. Sreejith Padinhatteeri, Assistant Professor, MCNS, MAHE, Manipal. He began the talk by briefly discussing the activities surrounding the Sun, like solar flares and coronal mass ejections (CMEs), which can disrupt our technology. Dr. Sreejith highlighted Aditya-L1 as a significant milestone in India's space exploration journey. He also explained the concept of Lagrange points and Aditya-L1's unique position at L1, offering an unobstructed view of the Sun, free from Earth's interference.

Valedictory session was compered by Mrs. Meghavarsha Padiyar , Lecturer, Department of Physics. Welcome Address was given by Mrs. Sandhya, Lecturer, Department of Physics. Introduction of the Chief Guest was given by Mrs. Vinuthashree, Lecturer, Department of Physics. Presidential Remarks was given by Prof Laxminarayana Karanth, Principal, MGMC Udupi. Prof. Dr. A.P. Bhat Retd. Principal, PPC,Udupi was the guest of honour. Vote of thanks was given by Mr. Neelakanta Dhandoti, Co-Convenor, NSFA-24.

Model exhibition was conducted in Githanjali Auditorium.

Total 229 participants including teaching staff and students of various P.U. and degree Colleges.

Place	DAMP, Manipal

Report: Final year B.Sc. students along with some of the teachers visited research labs in Department of Atomic and Molecular Physics. They have also visited Nanotechnology labs and Photonics labs. 12 students of III B.Sc. had participated in this activity.

Name /title of the programme	Extension Activity for Summer Camp students
The programme organized by (Dept/club)	Department of Zoology,Botany and IQAC
Day & Date	Wednesday, 12/04/2024
Place	Mahatma Gandhi Memorial College, Udupi
Resource Person	Students of Final year BZ/ZC/BC

Report:The **Departments of Zoology** and **Botany** of Mahatma Gandhi Memorial College, Udupi conducted an extension activity in connection with the summer camp organized by **Sunag Hospital, Udupi** in collaboration with **Manipal Birding and Conservation Trust (MBAC)** on **12th April 2024**.

The primary objective of the programme was to 1) stimulate interest in Zoology and Botany through direct interaction with specimens and research facilities 2) enhance awareness about sustainable practices like vermicomposting

Students of various schools of Mangalore, Bangalore and Udupi attending the Sunag Navya hitha summer camp visited the college. They were divided into groups and visited Zoology and Botany department museum, Botanica and Vermicomposting unit. Students were accompanied by the doctors of Sunag hospital and members of MBAC. Student volunteers of final year BSc (BZ/ZC/BC) explained

about the specimens and gave an idea on the vermicomposting techniques and the diverse species in Botanica. After the visit, the programme was concluded by a brief talk by Dr.Maneetha TK, HoD of Zoology on the scope of the subjects and job opportunities. Mrs.Ramya K, faculty of Botany department was present.Total **24** students and 6 organizers of the summer camp participated in the programme

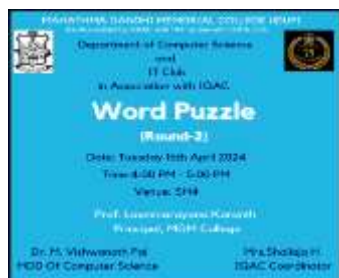

Name / title of the programme	Birth Centenary of late Dr. Gururaja Bhat
Programme organized by	Department of History and Rights Cell
Day & Date	13-04-2024
Place	Ravindra Mantapa
President	Prof Laxminarayana Karanth
Brief Report :-Department of History organised Birth Centenary of late Dr. P. Gururaja Bhat on 13/4/24. Dr. Malathi K.Moorthy, Former . Professor and H.O.D of History, MGM College, Udupi , and Dr, Jagadeesh Shetty, A.O. RGPai Centre, delivered special lectures on the contributions of Dr. P. Gururaja Bhat.	

Name /title of the programme	WordPuzzle(Round2)
The programme organized by Dept/club)	Computer Science Department and IT Club
Day & Date	16-04-2024
Place	SH4
Participants	32

BRIEFREPORT: The Word Puzzle event was organized to challenge participants' linguistic abilities and problem-solving skills through engaging word-based puzzles. The event aimed to provide a fun and stimulating environment where participants could in teams to solve various types of word puzzles. Around 32 students participated.

Name / title of the programme	Seminar competition
Programme organized by (Dept/Club)	Physics Department
Date	20-04-2024
Place	Physics lab, MGM College, Udupi

Brief Report :-In connection with - Late Sri K MOHANDAS KAMATH endowment prize, 'Physics Seminar Competition' was conducted for B.Sc. Physics students on 20th April 2024. Many students participated in the competition and used Power point presentation for explanation. Dr.M.G. Vijaya , Former principal M GM College Udupi and Mr.Neelkanta, HOD of Physics MGM, PU College were judges for the competitions. Total 07 students had participated in the competition.

Name /title of the programme	Talk on “Vedic Mathematics”
The programme organized by Dept/club	Mathematics Department
Day & Date	03/05/2024
Place	Audiovisual Hall, Mahatma Gandhi Memorial College, Udupi

Department of Mathematics in association with IQAC organized a special talk on “Vedic Mathematics” by Dr.Shrimathi Adiga, Professor, Department of Mathematics, Dr.G.Shankar Government Women’s First Grade College , Ajjarakadu, on 3rd May 2024.She has explained how Vedic mathematics can be used to multiply numbers. President of the function Prof. Laxminarayana Karanth, Principal, M.G.M College, Udupi. Encouraged the students to learn Vedic Mathematics. It will help the students to write competitive examinations. Mrs.Shalilaja H, IQAC Coordinator, HOD of Physics, M.G.M. College Udupi was also present on the occation. 45 students attended the programme.

Name /title of the programme	Magazine Release
The programme organized by Dept/club	Mathematics Department
Day & Date	03/05/2024
Place	Audiovisual Hall, Mahatma Gandhi Memorial College, Udupi

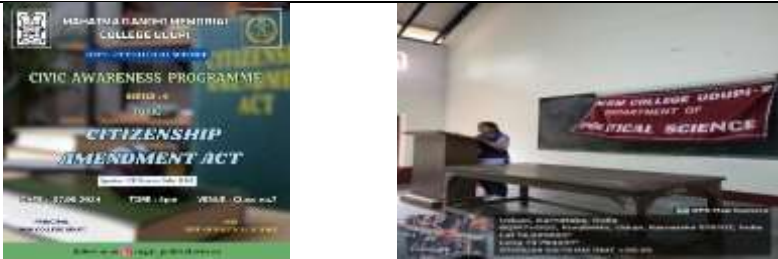

Brief Report :- Department of Mathematics organized a program to release the In-house bulletin “Infinity” on 5th June 2024. Chief guest of the program Professor Laxminarayana Karanth appreciated the editorial board members for their effort to bring out the magazine in an excellent manner. Keerthana Salian, the chief editor of infinity and the HOD of the department thanked all the students who have contributed for the magazine. Mahalakshmi, one of the editors did the master of ceremony for the function.

Name /title of the programme	Session on Career guidance and Job Opportunities
The programme organized by Dept/club)	Computer Science Department
Day & Date	06-05-2024
Place	AV Hall
Resource Person	Dr. M Vishwanath Pai, Assistant professor, MGMC Udupi m.vishwanath.pai@gmail.com 9008515307
Participants	138

BRIEF REPORT : The seminar on Career Guidance and Job Opportunities was conducted on May 6th 2024 at Audio Visual Hall. It was organized by the department of Computer Science and aimed at providing students with insights into various career paths, emerging job opportunities, and effective job search strategies. The Objectives are to guide participants on choosing the right career path and to inform about current job market trends and future opportunities. Around 138 students participated.

Name / title of the programme	Civic Awareness Programme: Series VI 'Citizenship Amendment Act'
Date	07.05.2024
Place	Room No - 7
Resource Persons	Shazeen Saba of II BA
To provide a platform for the students to express their views and discuss current issues , series of sessions were organised under the title 'Civic Awareness Programme'. Fifth session: 'Citizenship Amendment Act' was held on 07.05.2024. Shazeen Saba of II BA expressed her views.	
	

Name /title of the programme	Educational Tour
The programme organized by (Dept/club)	Department of Zoology, Botany, Chemistry and IQAC
Day & Date	Saturday, 18/05/24
Place	Kolalagiri Dairy industry Annapoorna Nursery RUDSET KoteshwaraRajaram Polymers and

Report: The study trip aimed to provide students with practical insights into both natural and industrial aspects relevant to their field of study. The study trip was organized by **Department of Zoology, Chemistry and Botany** and offered students the opportunity to apply theoretical knowledge in real-world settings. The main objective of the trip was to 1) Explore the biodiversity and ecological aspects of Mangroove forest 2) Provide insights into industrial processes and operations 3) Foster a holistic learning experience through a combination of natural and industrial environments.

The trip started with a visit to Kolalagiri Dairy industry. Students learned about the processing of milk and about the various dairy products. Next visit was to Annapoorna nursery where students visited the nursery as well as tissue culture lab. The next destination was to RUDSET where they learned about entrepreneurship and the scopes. Two polymer industry at Koteswara were visited and students learned about the various process involved in synthesizing polymer materials. In the last students visited Mangroove forest, where students learned the importance of mangroves in flood control and an insight into the biodiversity. It helps students to connect their imagination with the reality and also the importance of mangrove ecosystem. The industrial visit included an introduction to the manufacturing processes, operations, and technologies employed in the industry. A guided tour of the industrial facility provided students with a firsthand view of the production processes, quality control measures, and safety protocols.

The combination of exploring biodiversity and gaining insights into industrial operations enriched students' perspectives and underscored the interconnectedness of nature and industry. Total **34** students benefitted from this trip.

Name / title of the programme	Certificate Course on React and NodeJS
Programme organized by	PG Dept. of Computer Science
Date/Time	17-05-2024 to 28-05-2024
Place	MSc Lab
Resource Person	Mr.Naveen Shet Solution architect Niveus solutions
No of beneficiaries	31

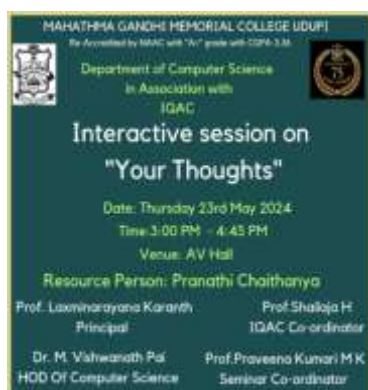

BRIEF REPORT: React and NodeJS are most widely used to create fast and responsive websites. The resource person guided the students to explore the basic concepts of React along with simple exercises. The students of II Semester M.Sc got hands on experience on the following:

- React Components
- React State management
- React Event handling
- React Native

The students actively participated and enjoyed the hands-on learning sessions on both the days.

Name /title of the programme	Seminar: Interactive Session on “Your Thoughts”
The programme organized by Dept/club)	Computer Science Department
Day & Date	23-05-2024, Thursday
Place	AV Hall
Resource Person	Pranathi Chaithanya Salesforce Developer at Autodesk pranathi.chaithanya.padyana@autodesk.com 7026327962
Participants	133

BRIEF REPORT :: The seminar titled "Interactive Session on 'Your Thoughts'" aimed to create an engaging platform where the resource person shared his ideas and experiences, and participants could freely express their own thoughts on various topics. Topics ranged from mental health and social media's impact on thought processes to the role of education in nurturing critical thinking. The positive feedback and active participation underscored the importance of such platforms in nurturing and sharing diverse ideas. Finally, the program concluded with a Q&A session and knowledge-based questions. Around 133 students participated

Chief guest	Inauguration and Key Note Address – Sri Sadyojata Bhat Technical Session 1: Chair Person – Dr. N T Bhat Resource Persons – Dr. Praveen K Shetty and Dr.Taru S Pawar Technical Session 2: Chair Person – Prof. M L Samaga Resource Persons – Dr. Shrikanth Siddhapura and Dr. B. Gopalacharya Paper Presentation Sessions: Moderators – Dr. Ramesh T S, Prof. Dr. Raviraj Shetty, Dr. Narayan Shetty N P, and Dr. Shridhar Bhat
One Day National Seminar on Human Values in Literature was organised by Language Departments and IQAC on 06th June, 2024. Sri Sadyojatha Bhat was the Key Note Speaker. He said that the literature in the absence of life experience, instead of being valuable. becomes barren and meaningless	

in the base of hate, tension, and despair. Resource Person Dr. Praveen K Shetty spoke on 'Worldviews, Worlds and Values in Literary Texts'; Dr. Taru S Pawar delivered a lecture on 'Hindi Upanuaas Sahitya me maanavmooly'; Dr. Shrikanth Siddhapur spoke on 'Pampa Bharatadalli Jivana preethi'; and Dr. B. Gopalaachar delivered a lecture on 'human Values in Vedic Literature'. Dr. Padekallu Vishnu Bhat addressed the valedictory session. Parellel sessions were conducted in all the four languages where research scholars presented the papers. Seven scholars presented the research papers in Sanskrit paper presentation session. Dr. Ramesh T S was the moderator. He appraised and critically analysed the presentations and enlightened with thought provoking words.

Name /title of the programme	Plant Saplings Distribution Drive
The programme organized by Dept/club)	Department of Zoology, Eco Club and IQAC in collaboration with MBAC.
Day & Date	Wednesday, 05-06-2024
Place	Zoology department
Chief Guest	Prof.LaxminarayanaKaranth Principal, MGM College

Report: On the occasion of World Environment Day, **Department of Zoology, and Eco club** in collaboration with **Manipal Birding and Conservation Trust (MBAC)** had organized plant sapling distribution drive.

The objective of the programme was to 1) increase awareness about the importance of planting trees 2) promote biodiversity 3) engage the student community in sustainable environmental practices. Over 75 saplings were distributed during the event. The saplings include Neem and Amlabrought from the forest department nursery and were distributed to the Staffs and students of the college.

Prof. LaxminarayanaKaranth, Principal, MGM College Presided the programme and received first plant sapling of the event. Mr. Tejasvi S Acharya, Trustee, MBAC, Dr.Maneetha T.K., HoD of Zoology and Convener of Eco Club, Mrs. ShruthiNayak, Co-convener of Eco club, IQAC Coordinator, Mrs. Shailaja H, all other teaching and non-teaching staffs and around **76** studentsof Zoology departmentand

Eco Club were present in the session.

Name /title of the programme	Screening of Documentary: Agumbapura – A Gateway to Malanadu
The programme organized by Dept/club	Department of Zoology, Eco Club and IQAC in collaboration with MBAC.
Day & Date	Wednesday, 05-06-2024
Place	A.V Hall
Resource Person	Mr.Sanjay Kumar K Software Professional, Bangalore Wildlife Photographer Ph: 9980092725
Report: Department of Zoology and Eco club in collaboration with Manipal Birding and Conservation Trust (MBAC) organized a screening of the documentary “Agumbapura: A Gateway to Malanadu” directed by Mr. Sanjay Kumar K on 5th June 2024 on the occasion of World Environmental Day Celebration. The event aimed to raise awareness about the rich biodiversity of the Western	

Ghats specifically focusing on the region of Agumbe. The documentary delves into the ecological significance of Agumbe, known for its unique flora and fauna, including the King Cobra and several endemic species of plants and animals. It covered the scenic beauty of Agumbe village, the lifestyle, the cultural and traditional practices of the local communities, livelihood of the people in the village and diverse species that inhabit Agumbe region emphasizing the importance of conservation efforts. The film also exposes the threats and the conflicts between the wild and local communities. Mr. Sanjay Kumar also shared his experiences during the making of this documentary. This film has won many awards in National and International Platforms.

Prof. LaxminarayanaKaranth, Principal, MGM College Presided the programme.

Mr. Tejasvi S Acharya, Trustee, MBAC, Dr.Maneetha T.K., HoD of Zoology and Convener of Eco Club, Mrs. ShruthiNayak, Co-convener of Eco club, IQAC Coordinator, Mrs. Shailaja H, teaching and non-teaching staffs of Zoology and Botany departments were present. Students of Botany, Zoology and Eco club attended the session and about **76** students benefitted from the programme.

Name /title of the programme	A Talk on Spiders and Conservation
The programme organized by Dept/club)	Department of Zoology, Eco Club & IQAC in collaboration with MBAC.
Day & Date	Wednesday, 05-06-2024
Place	A.V. Hall
Resource person	MohithShenoy K Aspiring Naturalist and Photographer Manipal

Report:

On the occasion of World Environment Day, **Department of Zoology andEco club** in collaboration with **Manipal Birding and Conservation Trust** organized a talk on **Spiders and Conservation.**

The event aimed to shed light on the ecological importance of spiders and the need for their conservation. Mr. MohithShenoy focused on the various roles played by the spiders in the environment, their diversity, behaviour and myths about the spiders. Spiders are crucial for maintaining ecological balance as they are natural predators of many pest species- he said. Also the speaker emphasized the impact of urbanization and deforestation on spider habitats, leading to a decline in their populations.

Prof. Laxminarayana Karanth, Principal, MGM College Presided the programme.

Mr. Tejasvi S Acharya, Trustee, MBAC, Dr. Maneetha T.K., HoD of Zoology and Convener of Eco Club, Mrs. Shruthi Nayak, Co-convener of Eco club, IQAC Coordinator, Mrs. Shailaja H, teaching and non-teaching staffs of Zoology and Botany departments were present. Students of Zoology and Eco club attended the session.

About **68** students benefitted from the programme.

Name /title of the programme	Street Play – Parisarada Kathe
The programme organized by Dept/club	Department of Zoology, Eco Club, IQAC and MBAC
Day & Date	Wednesday, 05-06-2024 & 06-06-2024
Place	MuddanaMantapa / Canara Mall, Manipal

Report: Department of Zoology and Ecoclub in collaboration with **Manipal Birding and Conservation Trust (MBAC)** organized street play “Parisarada Kathe” at MGM College campus on **5th June** and Canara mall compound **on 6th June 2024**. The act – Parisarada Kathe was written by the great writer, K.P PoornachandraTejasvi. The act projects the effects of anthropogenic activities that have resulted in the extinction of birds and animals and educates how wild life can be protected. The act was directed by Mr. PrashanthUdyawara, Faculty, Dept.of Kannada, MGM PU College. 12 students of BSc had involved and participated in the street play.

The objective of the programme was to 1) educate thestudents and public about the importance of environmental conservation 2) highlight the impact of human activities on nature and 3) to promote sustainable practices that can help protect our environment.

The students used a mix of humour, drama and emotion to engage the audience effectively. Simple yet impactful props, costumes and background music enhanced the storytelling, making the environmental themes more relatable and memorable.

Manipal police provided the necessary permissions and ensured the safety during performance. The manager of Canara mall cooperated by giving a space to perform the play. Many public witnessed the programmes and were documenting.

Prof. Laxminarayana Karanth, Principal, MGM College Presided the programme.

Mr. Tejasvi S Acharya, Trustee, MBAC, Dr. Maneetha T.K., HoD of Zoology and Convener of Eco Club, Mrs. Shruthi Nayak, Co-convener of Eco club, IQAC Coordinator, Mrs. Shailaja H, all other teaching and non-teaching staffs of Zoology and Botany departments were present in the session. Students of Zoology and Eco club were present, and about **69** students witnessed the programme.

Name / title of the programme	Release of department bulletin Galaxy
Programme organized by (Dept/Club)	Physics Department
Date	Friday, 07-06-2024
Place	Audio Visual Hall

Report: On 7th June, 2024 Departmental bulletin “Galaxy” was released by Dr. Lakshmeesha Rao, Assistant Professor Department of Physics Poorna Prajna College Udupi. On this occasion he gave the importance of speed of light in air. Our Principal Prof. Laxminarayana Karanth presided over the programme. Total 32 students were participated in the programme.

Name /title of the programme	Seed Ball Dispersal Drive
The programme organized by Dept/club	Department of Zoology , Eco Club and IQAC, in collaboration with MBAC and Karnataka Forest Department, Hiriadka
Day & Date	Saturday, 08-06-2024
Place	Anjaar Reserve Forest, Hiriadka, Udupi
Resource Person	Mr.Rezi Mathew DRFO Forest Department, Hiriadka Ph:9448626766
Report: Department of Zoology and Eco club in collaboration with Manipal Birding and Conservation Trust and Karnataka Forest Department organized Seed Ball Dispersal Drive on 15th June 2024. The seed balls were prepared on June 5th as a part of World Environment Day celebration using red soil, vermicompost (prepared in our vermicomposting unit) and coco peat in the ratio 3:2:1. Seeds of native trees like jackfruit, mango, hone, java plum and tare, known to survive in the local ecosystem were selected for preparing the seed balls to ensure successful germination and growth. The seed balls were dried in shade and later dispersed in the open patches of Anjaar reserve forest near Hiriadka, as per the suggestion from the DRFO Rezi Mathew. The forest	

officials supported the programme and give guidance in conducting the programme. DRFO gave an introduction on Wildlife Act, and other important Sections made in order to protect the Wild life and forest. He also stressed the significance of reforestation and the role of seed balls in sustainable environmental practices. Participants were divided into groups. Students equipped with seed balls were dispersed into different nearby zones of the reserve forest. Under the guidance of forest officials seed balls were strategically dispersed in open areas of the forest to maximize the chances of growth and reforestation. About 280 seed balls were successfully dispersed across the targeted region.

Beat Forest Officer Ms.Prajnya, Mr. Tejasvi S Acharya, Trustee, MBAC, Dr.Maneetha T.K., HoD of Zoology and Convener of Eco Club, Mrs. Yashaswini B, Faculty of Zoology, Mrs.JayashreeNayak, Physical Education Director, MGM College, were present. Students of Zoology and Eco club participated. A total of **42** students participated in seed ball preparation drive and about **17** students participated in seed ball dispersal programme.

Name / title of the programme	Interactive Session 'General Elections 2024- Result Analysis'
Date	11.06.2024
Place	Room No - 5
Resource Persons	Adithya, Sachidananda & Vaishnavi Sambhaji of I BA
