Gender Sensitization Action Plan

Women empowerment and gender equality are central to the values and mission of this institution. Alongside providing education, the institution aims to instil gender values in students, fostering a mindset of equality and respect. Through gender sensitization programs, the institution seeks to positively influence students' perspectives, promoting a culture of inclusivity and empowerment. Ensuring women empowerment and advancing gender equity are integral parts of the institution's ongoing initiatives to create a supportive, equal, and respectful environment for all students.

The following describe action plan implemented by the institution to promote gender equity.

1. Provision of admission to all aspirants is purely based on merit & there is no space for gender discrimination.
2. All the students are provided with equal opportunities irrespective of gender to participate in the activities, tasks, programs arranged in the college.
3. Selection of the students for the student's welfare council is purely based on their academic excellence not based upon gender.
4. Selection of the student coordinators, secretaries of various associations/ clubs is purely based upon their ability to organize & active participation irrespective of gender assignment of staff members to each club/association is done with the consideration to give equal opportunity to both male and female staff.
5. Activities & awareness programs in the context of women empowerment is organized.
6. Separate common rooms for both boys and girl students are provided.
7. The library has separate reading sections for boys and girls.
8. All actions taken against individual students for indiscipline is purely based on the act & not based on gender.
9. Scholarship, freeship and financial assistance are provided to all the students irrespective of the gender unless stated otherwise by the scholarship requirements.
10. Awareness programs are organized & Counseling is provided by the teacher when students come up with problems.
11. The College has established an Anti-harassment Cell for women. This cell has the responsibility to sensitively handle any such cases.
