Course Title: **COLONIAL INDIA AND THE RISE OF NATIONALISM (1857 – 1916 AD) BASHTCS- 501**
5 HRS PER WEEK MARK-20+80=100 CREDITS – 4

COURSE DESCRIPTION:

The Syllabus for **COLONIAL INDIA AND THE RISE OF NATIONALISM (1857 – 1916 AD)** typically covers the period of British consolidation and the rise of Indian nationalism. Key topics include the Revolt of 1857, British administrative and economic policies, social and religious reform movements, and the early nationalist movement. This period also includes the growth of political associations and the foundation of the Indian National Congress, and rise of early nationalism up to home rule movement and Lucknow pact.

COURSE OBJECTIVES:

1. Analysing the establishment and nature of British rule
2. Evaluating the socio-economic impact of colonialism
3. Understanding resistance to British rule and analysing the emergence of nationalist movements
4. Examining the diverse social and cultural forces involved.

COURSE OUTCOMES:

1. Students will understand the transition from Mughal rule to British colonialism
2. Students will analyse the impact of colonial rule
3. Students explore the rise of Indian nationalism and understand the different phases of the nationalist movement.
4. This course aims to equip students with the knowledge and analytical skill necessary to understand the forces that shaped modern India and its place in the world.

BA V SEMETSER**Course Title: HISTORY OF MODERN EUROPE (1789– 1990 AD) BASHTCS- 502****5 HRS PER WEEK****MARK-20+80=100****CREDITS – 4****COURSE DESCRIPTION:**

A typical syllabus for the history of Modern Europe (1789-1990) would cover the major political, social, economic, and cultural transformations that shaped the continent during this period. It would likely include the French Revolution and its aftermath, the rise and fall of Napoleon, the Congress of Vienna and the Concert of Europe, the revolutions of 1830 and 1848, the unification movements in Italy and Germany, the two World Wars, the Russian Revolution, the rise of fascism and Nazism, and the Cold War.

COURSE OBJECTIVES:

1. Modern European history course generally aims to provide students with an understanding of the major political, social, economic, and cultural developments in Europe from the late 18th century to the present day.
2. Key objectives include examining the rise of nation-states, the impact of revolutions and industrialization, the causes and consequences of major wars, and the development of political thought and ideologies.
3. Students will also analyse the forces that shaped Europe's role in the world and the ongoing processes of European integration.
4. Students study the development and impact of various political ideologies like liberalism, conservatism, socialism, and fascism.

COURSE OUT COMES:

1. Modern European history course typically aims to equip students with the knowledge and skills to understand major political, social, economic, and cultural developments in Europe from the French Revolution to the present day.
2. Students will analyse the causes and effects of significant historical events, evaluate the rise of modern European states, and explore the impact of European colonialism and imperialism.
3. Furthermore, the course should foster critical thinking, research skills, and the ability to interpret primary and secondary source materials.
4. Students will explore the diverse experiences of different social groups, including men and women, and understand the impact of intellectual developments on European society.

SYLLABUS

BA VI SEMESTER**Course Title: HISTORY OF KARNATAKA (1565 - 1956 A.D) - BASHTCS – 602****5 HRS PER WEEK****MARK-20+80=100****CREDITS – 4**

COURSE DESCRIPTION: The History of Karnataka syllabus typically covers the period from the 18th century to the present day, focusing on the British consolidation of power, and the subsequent social, political, and cultural developments in the region leading up to and after Indian independence. Specific topics include the Anglo-Mysore Wars, the British administration, social reform movements, the unification of Karnataka, and the post-independence era.

COURSE OBJECTIVES:

1. To deal with the minor dynasties and their administrative and cultural contributions.
2. To focus on the anti-British revolts, administration and reforms of Mysore Wodeyar's freedom movement and Unification movement in Karnataka.
3. The process of merging Kannada-speaking regions into a single state, including the role of various political leaders and organizations.
4. The political, social, and economic developments in Karnataka after Indian independence, including the formation of the new state and its subsequent growth.

COURSE OUTCOMES:

1. Students will be able to identify and analyse the major dynasties and periods in Karnataka's history, including the Wodeyar's of Mysore, and the impact of British rule.
2. Students will develop an appreciation for the unique identity of Karnataka and its place in the broader context of Indian history.
3. The syllabus will encourage students to critically analyse historical sources, interpret events, and understand different perspectives on Karnataka's history.
4. The syllabus will cover significant socio-political changes, such as the impact of British administration, the development of princely states, and the eventual formation of Karnataka.

SYLLABUS
